STIPULATION OF EXTENSION

The parties are in receipt of the Board’s Order dated February 19, 2015, granting the parties’ stipulated motion to extend testimony periods. In that Order, the Board noted that a copy of the transcripts of testimony, together with the copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Thus, in accordance with TBMP Rule 501.01, the parties, through undersigned counsel, have agreed and hereby stipulate to an additional brief extension of time for the above-described deadline. This stipulation shall stay the deadline to serve transcripts and exhibits on the adverse party (currently March 2, 2015) by sixty days — commensurate with the amount of time by which all other remaining deadlines were extended — until Friday, May 1, 2015, as the parties are exploring settlement and wish to avoid the costs associated with deposition transcripts in the event this matter settles.

Respectfully submitted,

s/ Amy J. Everhart
