Opposition No. 91210234

Carole A. Faulkner and
Chris Faulkner

v.

Gary Domel

Rochelle Adams, Paralegal Specialist:

Proceedings herein are **suspended** pending disposition of the opposer's October 29, 2013 motion to compel, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2). The Board also notes applicant's November 13, 2013 response to opposer's motion to compel.

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.
