v.

Krisdianto Lesmana

Opposer's consented motion filed July 10, 2015 to suspend proceedings for thirty (30) days is noted.

In the Board's order dated May 23, 2015, the parties were advised that further motions to extend or suspend may not be granted in the absence of detailed explanation of the progress the parties have made towards settlement. However, the July 10, 2015 motion does not include the required showing.

In view thereof, the motion to suspend proceedings is hereby **DENIED** without prejudice, and the parties are allowed until thirty (30) days from the mailing date of this order to submit a report, without disclosing confidential matter, which should include: 1) all dates on which the parties communicated, and the method of each communication i.e. telephone, email, in-person meeting; 2) the general nature of each communication; 3) the issues that have been resolved or that remain for trial and 5) a proposed timetable for resolution of the unresolved issues.

Upon submission and consideration of such a report, the parties' most recent consented motion to suspend proceedings may be granted, and other scheduling changes may be made.

In the meantime, disclosure and trial dates remain as previously set in Opposer's May 12, 2015 motion.
