The grounds for this request are as follows:

- *Parties are engaged in settlement discussions*
- *The parties respectfully request a 60-day extension of all deadlines in this proceeding to allow time for the parties to try to finalize the resolution of this matter. Significant progress has been made. Since the last suspension, Opposer's counsel and Applicant's counsel corresponded regarding Applicant's settlement proposal and the terms of settlement. The parties' counsels then agreed that Opposer's counsel would prepare a draft settlement agreement. Opposer's counsel then prepared a draft settlement agreement. The draft settlement agreement was then forwarded to Applicant's counsel on October 5, 2015. Applicant's counsel acknowledged receipt of the draft settlement agreement and reported that he was sending the agreement to his client (who is located in West Java, Indonesia) for review and that he would get back to Opposer's counsel as soon as possible. On October 14, 2015, Opposer's counsel asked Applicant's counsel for an update on the status of the settlement agreement, and Applicant's counsel reported that he had not yet heard from his client. The additional time is required for the parties to review and execute the agreement, and to finalize this matter. Finally, the parties request that the proceedings be suspended*

pending disposition of this extension.

Rich Products Corporation has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

Rich Products Corporation has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
