NOTICE OF OPPOSITION

Newegg Inc. (hereinafter “Opposer”), a Delaware corporation located at 16839 E. Gale Avenue, City of Industry, California 91745, believes that it will be damaged by the registration of the mark CUBE EGG and Design shown in trademark application Serial No. 79/123,773, filed August 20, 2012, by Cube Egg Inc. (hereinafter “Applicant”), and hereby opposes the same. The grounds for opposition are as follows:

1. By the application herein opposed, Applicant is seeking to obtain under the provisions of the Trademark Act of 1946 as amended, registration on the Principal Register of the trademark CUBE EGG and Design for “cell phone cases; cell phone covers; cellular phone accessories,” in International Class 9 and “lunch boxes; cruet stands; household containers for foods; plastic storage containers for household or domestic use for foods and beverages; containers for household or kitchen use; clothes drying hangers,” in International Class 21.

2. Applicant’s mark published for opposition on April 9, 2013. This Notice of Opposition is timely.

3. Since at least as early as 2001, Opposer has owned and operated Newegg.com, an online retail store that sells more than 34,000 products and has more than 13 million registered users. This award-winning website offers customers a comprehensive selection of products, detailed product descriptions and images, how-to's, and more than 1.7 million customer reviews. In addition, Opposer offers a number of e-commerce services to its customers, including web site development services and an e-commerce portal for third parties. Opposer has earned a reputation for excellence and customer service that is unmatched in the industry and has become the second largest online-only retailer in the United States.

4. Opposer owns a well-known family of EGG marks for use in connection with its products and services as shown in the table below (collectively referred to herein as "Opposer's EGG Marks"):

Mark	Reg. No./ Reg. Date	Serial No./ Filing Date	Use Date	Int'l Class(es)

	4,147,379 May 22, 2012	85/162,521 Oct. 27, 2010	Feb. 1, 2011	35
		77/797,545 Aug. 5, 2009		35, 39

Current printouts of information from the electronic database records of the USPTO showing the current status and title of the registrations and applications are attached hereto as Exhibit A.

5. Opposer's U.S. Registration No. 2,892,236 is incontestable under Section 15 of the Lanham Act, 15 U.S.C. § 1065. Consequently, this registration is conclusive evidence of the validity of the registered mark and of the registration of the mark, of Opposer's ownership of the

mark, and of Opposer's exclusive right to use the registered mark in commerce under Section 33 of the Lanham Act, 15 U.S.C. § 1115.

6. Opposer has advertised and promoted its EGG Marks continuously and extensively, and made substantial sales of products and services under said marks. As a result of such continuous use and promotion, Opposer's EGG Marks have developed and represent valuable goodwill inuring to the benefit of Opposer. In addition, Opposer's NEWEGG mark is famous, and became famous prior to Applicant's filing date.

7. There is no issue of priority concerning Applicant's CUBE EGG and Design mark since Opposer used and registered its EGG Marks prior to Applicant's August 20, 2012, filing date. Opposer's usage of its NEWEGG marks commenced at least as early as January 2, 2001, over eleven (11) years prior to the filing date of Applicant's application. Opposer therefore has priority over Applicant with respect to the marks at issue.

8. Upon information and belief, Applicant had knowledge of the fact that Opposer used its EGG Marks as trademarks before it adopted the CUBE EGG and Design mark.

9. Applicant's CUBE EGG and Design mark is confusingly similar to Opposer's EGG Marks as the marks are similar in sight, sound and commercial impression.

10. Applicant's alleged goods and services are closely related to the goods and services marketed and sold by Opposer in connection with its EGG Marks.

11. Upon information and belief, Opposer's and Applicant's products and services are sold and marketed in the same channels of trade to the same consumers or class of consumers.

12. Due to the similarity between the parties' marks, the closely related nature of the goods and services of the respective parties, customers and potential customers are likely to

believe that Applicant's services originate from Opposer, resulting in a likelihood of confusion in the marketplace, and damage to Opposer.

13. The use and registration by Applicant of the mark CUBE EGG and Design for Applicant's goods and services is likely to cause confusion or to cause mistake or deception in the trade, and among purchasers and potential purchasers, with Opposer's previously used EGG Marks, again resulting in damage to Opposer.

14. Because of the closely related nature of the goods and services, and that the marks are confusingly similar, use and registration of the term CUBE EGG and Design by Applicant is likely to cause confusion, mistake, or deception that Applicant's goods and services are those of Opposer, or are otherwise endorsed, sponsored, or approved by Opposer for use with Opposer's products and services causing further damage to Opposer.

15. Applicant's use and registration of Applicant's mark is likely to dilute the distinctiveness of Opposer's famous NEWEGG mark.

16. Registration of the mark shown in application Serial No. 79/123,773 will result in damage to Opposer under the provisions of Section 2 of the U.S. Trademark Act, 15 U.S.C. Section 1052, pursuant to the allegations stated above.

WHEREFORE, Opposer asks that its opposition to this application be sustained and that registration of the term CUBE EGG and Design for the goods set forth therein be refused.

Please direct all correspondence to:
