v.

TouchDome LLC

Rochelle Adams, Paralegal Specialist:

Parties' stipulated motion filed September 3, 2015 to suspend this proceeding to allow the parties to continue with their settlement negotiations is **GRANTED** for good cause shown based upon the status report submitted concurrently with the stipulation.

Inasmuch as registrant has provided the Board with an updated report of the parties' settlement discussions as previously required, the parties are reminded that there is a continuing obligation to provide good cause in the form of detailed progress reports for any further extension or suspension request.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rule 2.117(c), and 2.127(a); and TBMP § 605.02).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall

resume without further notice or order from the Board, upon the schedule set forth in the parties motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
