**MOTION TO CONSOLIDATE**

Transamerica Corporation (“Opposer”) requests the consolidation of pending Opposition Nos. 91210715 and 91210753.

Consolidation is appropriate here because both proceedings involve the same parties and the same issues of fact and law. The opposition proceedings pertain to the likelihood of confusion between Opposer’s prior registrations for TRANSAMERICA and “TRANS” prefix marks, on the one hand, and Applicant’s TRANSTREND marks on the other, as a standard character mark (U.S. Ser. No. 79/116,365) and as part of a design (U.S. Ser. No. 79/116,365).

Counsel for the parties have conferred, and Applicant consents to the consolidation of the proceedings. Consolidation will conserve the resources of both parties and the Trademark Trial and Appeal Board, and will allow for faster and more efficient resolution.

Therefore, Opposer respectfully requests the consolidation of the proceedings referenced above.

Respectfully submitted,

**TRANSAMERICA CORPORATION**
