MOTION ON CONSENT FOR FURTHER SUSPENSION

Applicant Kenko Tokina USA, Inc. ("Applicant") respectfully moves, on consent, for a further 90-day suspension of the proceedings in this matter based upon the pendency of settlement discussions.

These proceedings are currently suspended in their entirety pursuant to a July 24, 2014 Order. That suspension is to expire on September 3, 2014.

The parties have discussed the terms of a settlement that appears to be acceptable to both parties and are in the process of reducing that settlement to writing.

The parties have good cause for requesting a further 90-day extension of the suspension provided for by the July 24, 2014 Order based upon the current status of settlement discussions.

Further suspension of these proceedings will promote judicial economy and preserve the parties' resources.

Both parties reserve the right to seek an earlier resumption of proceedings if the settlement is not consummated.

In the event that there is no word from either party, upon conclusion of the suspension period, proceedings would automatically resume upon a schedule to be set out by the Board.

Ralph H. Cathcart, Esq., counsel for opposer Intercast Europe S.r.L., has consented to the extension requested herein.

Dated: August 25, 2014

Respectfully submitted,

McKENNA LONG & ALDRIDGE, LLP
