United Industries Corporation

v.

Chemian Technology Limited

By the Trademark Trial and Appeal Board:

On February 19, 2016, Applicant filed an abandonment of its application Serial No. 85805232 with prejudice.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because Opposer's written consent to the abandonment is not of record, judgment is hereby entered against Applicant, the opposition is sustained, and registration to Applicant is refused.¹

¹ In view of the judgment by way of this order, Opposer's January 22, 2016 motion to compel is moot and will receive no consideration.
