Opposition No. 91211285

Laxmi Snacks Pvt. Ltd.

v.

Meenaxi Enterprise, Inc.

**George C. Pologeorgis,
Interlocutory Attorney:**

Opposer's consented motion (filed July 6, 2015) to suspend further this proceeding for an additional 180 days to allow the parties to continue with their settlement negotiations is noted.

The Board further notes that since December 2013 the parties have effected numerous requests to suspend for settlement, yet settlement has still not been reached. Accordingly, before the Board considers Opposer's July 6, 2015, consented motion to suspend for settlement, the parties must first submit a status report of their settlement efforts to date. Such report **must** include a recitation of issues that have been resolved, **identification of the settlement activities which have occurred for each month since December 2013**, including the dates upon which proposed settlement agreements have been provided for review (whether to in-house counsel or outside counsel), dates when the reviewed proposed settlement agreement has been provided to

the adverse party, and dates when the adverse party has provided its comments,¹ issues that remain to be resolved, and a firm timetable for resolution.

The parties are allowed until **July 17, 2015** in which to submit this ordered status report, failing which the Board will give no consideration to Opposer's July 6, 2015, consented motion to suspend for settlement and trial dates will remain as reset by Board order dated January 6, 2015.

Proceedings are otherwise suspended pending a response to this order.

¹ If no settlement activity has occurred for any month of suspension time granted since December 2013, the parties must explain why no settlement activity occurred.
