Dear Members of the Madrid Team:

We are in receipt of your Notice of irregularity issued on July 25, 2013 with respect to this extension of protection. The WIPO reference No. is 7515265, and the IB Document ID is 750141701.

We believe that your notice of irregularity was issued in error, and we respectfully request that it be withdrawn.

You state in the Notice of Irregularity that the notice of possible opposition was sent after the expiry of the 18-month time limit referred to in Article 5(2)(b). However, on July 28, 2011, your office transmitted a request for extension of protection to the USPTO, and on December 26, 2012, within the 18-month period, your office was notified of the possibility of an opposition and processed the notification on February 7, 2013.

We would appreciate it if you would look into this matter and advise us whether the notice of irregularity will be withdrawn.

Regards,

Denise M. DelGizzi, Technical Program Manager
