v.

JOANES WUNARYO

By the Trademark Trial and Appeal Board:

On May 28, 2015, Applicant filed a consented motion to amend the drawing of its mark and the mark description in involved Application Serial No. 85745511. By order of January 13, 2016, the Board deemed the proposed amendment acceptable but deferred entry thereof until Applicant provided a sufficiently clear substitute drawing of the proposed mark. On January 20, 2016, Applicant provided a substitute drawing and requested that the opposition be dismissed with prejudice in the absence of instructions to the contrary from Opposer. Opposer has not responded to the filing.

Inasmuch as the amendment to the drawing and mark description does not constitute an impermissible material alteration to the mark and Opposer consents thereto, it is **APPROVED** and entered. *See* Trademark Rules 2.72(b) and 2.133(a).

Opposition No. 91212009

The contingency in Opposer's withdrawal having now been met and as Opposer has failed to specify otherwise, the opposition is **DISMISSED with prejudice.**
