Red Bull GmbH

v.

Bullson Co., Ltd.

Yong Oh (Richard) Kim, Interlocutory Attorney:

It has come to the above-signed attorney's attention that counsel for Opposer has, prior to the Board's order of August 2, 2016, been in communication with the Chief Clerk of the Board in an effort to prepare an acceptable letters rogatory for the signature of the Board's Chief Administrative Trademark Judge and further processing by the United States Department of State and that a request for issuance of the letters rogatory as well as the letters rogatory were filed by Opposer on May 9, 2016, and received by the Board on May 11, 2016.

In view of the efforts and progress already made by Opposer to obtain the testimonial deposition of Mr. Jorge Casals by way of the letter rogatory procedure, the Board's order of August 2, 2016, ordering the resumption of proceedings and the completion of Opposer's main testimony by August 30, 2016, is **VACATED** to the extent it relates to the testimony of Mr. Casals.

Opposition No. 91212445

Opposer is ordered to proceed with the remainder of its testimony to be completed no later than **SEPTEMBER 16, 2016**.

Proceedings are otherwise **SUSPENDED** pending completion of the foreign testimonial deposition of Mr. Casals.
