<u>Applicant.</u>	:	

NOTICE OF OPPOSITION

CenturyLink, Inc., a Louisiana corporation, and its wholly-owned subsidiary CenturyLink Intellectual Property LLC, f/k/a Embarq Holdings Company, LLC, a Delaware limited liability company with a business address of 100 CenturyLink Drive, Monroe, Louisiana 71203, (hereinafter “Opposers”), believe that they will be damaged by the registration of the mark shown in the above-identified application, and, having been granted an extension of time until September 15, 2013, hereby oppose the same.

As grounds for opposition, it is alleged that:

1. On September 28, 2012, V5 Technologies, LLC filed with the U.S. Patent and Trademark Office an application to register COBALT COMMUNICATIONS and design as a trademark for use on or in connection with “telecommunication access services” in International Class 38. The application, Serial Number 85740776, was based on an alleged intent to use,

as is evidenced by the publication of said mark in the March 19, 2013 issue of the Official Gazette.

2. Opposer CenturyLink, Inc., is a national, industry-leading communications company that, through its subsidiaries and affiliated companies, provides broadband, voice and wireless services to consumers and businesses across the United States, provides telecommunication services, provides advanced entertainment services, and provides data, voice and managed services to business, government and wholesale customers in local, national and select international markets through its high-quality fiber optic network and multiple data centers. Since at least as early as October 19, 2009, and prior to any date claimed by the Applicant, Opposers and their predecessors in interest have continuously used, either by themselves or through subsidiaries and affiliated companies, CenturyLink design marks to identify their telecommunication and telecommunication-related services.
3. CenturyLink, Inc. is a licensee of CenturyLink Intellectual Property LLC f/k/a Embarq Holdings Company, LLC. CenturyLink, Inc., through its subsidiaries and affiliated companies, uses the trademarks owned by CenturyLink Intellectual Property LLC. CenturyLink Intellectual Property LLC is a wholly-owned subsidiary of CenturyLink, Inc. As such, CenturyLink, Inc and CenturyLink Intellectual Property LLC are in privity.
4. Opposer CenturyLink, Inc. is the owner of U.S. Registration No. 4283665, issued January 29, 2013, on the Principal Register, for the CenturyLink design mark for “Electronic, electric, and digital transmission of voice, data, images,

signals, and messages” in Class 38. This registration is valid, subsisting and in full force and effect. A true copy of this registration is attached as Exhibit A.

5. Opposer CenturyLink Intellectual Property LLC is the owner of U.S. Registration No. 3998348, issued July 19, 2011, on the Principal Register, for the CenturyLink design mark for “consulting in the field of telecommunications in the nature of technical consulting in the field of audio, text and data transmission and communication; telephone communication services, electronic transmission of messages and data, telephone voice messaging service; telecommunication and information technology services, namely, electronic, digital, wireless transmission of voice, data, information, images, signals and messages; and electronic transmission of voice, data, images, audio, video and information via telephone, television and global communication networks; providing telecommunications connections to a global communications network, electronic store-and-forward messaging; rental of telecommunications equipment, namely, equipment for electronic access to global telecommunications network, equipment for transmitting, receiving, recording and monitoring voice, data, information images, signals, messages comprised of data and word processors, and telecommunications hardware components and peripherals thereof for use in the telecommunications industry, and equipment for transmitting, receiving, recording and monitoring computer programs for use in operating and accessing telecommunications systems; audio and video broadcasting;

providing multiple-user dial-up and dedicated access to the internet; personal communications services; transmission and broadcast of audio and video programming; leasing of telecommunications equipment, components and systems; providing information via the telephone and the global communication networks in the field of telecommunications; transmission, reception and processing of coded and emergency signals; internet telephony service; telecommunication services, namely, local and long distance transmission of voice, data, graphics by means of telephone, cable, and satellite transmissions; broadcasting services and provision of telecommunication access to video and audio content provided via a video-on-demand service via the internet; call forwarding services. Electronic mail services; prepaid long distance telephone services; providing remote internet access; satellite, cable, network transmission of sounds, images, signals and data; secure e-mail services; integration and enabling of e-commerce, namely, providing multiple-user access to a global computer information network; broadband television broadcasting and broadband television transmission services for the internet; video on demand transmission services; telecommunications services, namely, providing a phone and communications service capable of switching between a wireless and wireline connection; providing multiple user access to wireless and wireline local area computer networks; high speed transmission of voice, data, images, video, audio and information via a global computer network, computers and wireless devices; providing access for others to a global computer network for the transfer and

dissemination of information in a wide variety of fields; audio teleconferencing services; video teleconferencing, electronic mail, voicemail and electronic data transmission; telephone communications services; electronic, electric, and digital transmission of voice, data, images, signals, and messages; voice message, receiving, recording and transmission services” in Class 38. This registration is valid, subsisting and in full force and effect. A true copy of this registration is attached as Exhibit B.

6. Opposer CenturyLink, Inc. is the owner of U.S. Registration No. 4335629, issued May 14, 2013, on the Principal Register, for the CenturyLink design mark for “application service provider (ASP), namely, hosting computer software applications of others; Computer consultation in the field of computer security; Computer hardware and software consulting services; Computer hardware and software design; Computer network design for others; Computer security service, namely, restricting access to and by computer networks to and of undesired web sites, media and individuals and facilities; Consulting in the field of telecommunications technology; Design, creation, hosting, maintenance of websites for others; Remote computer backup services; Technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems” in Class 42. This registration is valid, subsisting and in full force and effect. A true copy of this registration is attached as Exhibit C.
7. Opposer CenturyLink Intellectual Property LLC is the owner of U.S. Registration No. 3998349, issued July 19, 2011, on the Principal Register, for

the CenturyLink design mark for “consulting in the field of telecommunications technology; internet application service provider (ASP) featuring online content management software for use in storing, searching, indexing, retrieving, and cross-referencing product support information of others; monitoring the computer systems of others for technical purposes and providing back-up computer programs and facilities; integration and enabling of e-commerce, namely, hosting the web sites of others on a computer server for a global computer network; computer services, namely, restricting access to and by computer networks to and of undesired web sites, media, individuals and facilities to prevent distributed denial (DDOS) attacks on networks and servers; providing online, non-downloadable software for use as a database via a global computer network to enable the user to download games, graphics and music to computers and wireless devices; computer services, namely, design and development of networks in the nature of creating computer networks to provide thin client access capabilities to schools; creation and provision of web pages to and for third parties; design of home pages and web sites; computer services, namely, designing and implementing network web pages for others; computer services, namely, providing a web-based system and online portal for customers to remotely manage, administer, modify and control their end user computer devices, data and software applications; maintenance and repair of computer network software to provide thin client access capabilities to schools” in Class 42. This registration is valid,

subsisting and in full force and effect. A true copy of this registration is attached as Exhibit D.

8. Opposer CenturyLink Intellectual Property LLC is the owner of U.S. Registration No. 3998347, issued July 19, 2011, on the Principal Register, for the CenturyLink design mark for “key telephone systems comprising key telephones and parts for use therefor; downloadable software for use as a database via a global computer network that enables the user to download games, graphics and music to computers and wireless devices; telephones, all for use in computing devices, telecommunications products and electronic consumer products, for use in the telecommunications field, and for use in providing telecommunications connections” in Class 9. This registration is valid, subsisting and in full force and effect. A true copy of this registration is attached as Exhibit E.
9. Opposer CenturyLink Intellectual Property LLC is the owner of U.S. Registration No. 4049470, issued November 1, 2011, on the Principal Register, for the CenturyLink design mark for “security monitoring services, namely, monitoring of computer systems for security purposes; monitoring burglar and security alarms; monitoring security systems; electronic monitoring services for security purposes in the field of home security” in Class 45. This registration is valid, subsisting and in full force and effect. A true copy of this registration is attached as Exhibit F.
10. The mark that Applicant seeks to register closely resembles Opposers’ registered design marks.

11. The services listed in the subject application, namely, “telecommunication access services,” and Opposers’ telecommunication and information technology services may be promoted and sold to the same customers, and in the same or similar channels of trade.
12. Based on the similarity of the designs and the named services, the public is likely to associate the services offered by Applicant under the applied-for mark with Opposers or Opposers’ services, or to believe that Applicant’s services are sponsored, endorsed or licensed by Opposers.
13. Opposers are likely to be damaged by the registration sought by Applicant because such registration will support and assist Applicant in the confusing and misleading use of the mark Applicant seeks to have registered, and will give color of exclusive statutory rights to Applicant in violation and derogation of the prior and superior rights of Opposers.
14. For the reasons set forth above, any use of the mark by Applicant is likely to cause confusion, cause mistake, or deceive the public, and cause the public to believe that the services sold under Applicant’s mark emanate from or are otherwise sponsored by or endorsed by Opposers, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

WHEREFORE, Opposers believe they will be damaged by registration of application Serial No. 85740773 and respectfully pray that the registration sought by Applicant be refused, and that this Notice of Opposition be sustained.

CERTIFICATE OF SERVICE

I hereby certify that a true and complete copy of the foregoing Notice of Opposition was served upon Applicant by forwarding same via First Class Mail, postage prepaid, to Applicant's correspondent of record, on September 16, 2013.
