v.

Roto-Die Company, Inc.

On November 5, 2013, the parties filed applicant's proposed amendment to its application Serial No. 85853995, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of goods **from** "Dies for use with machine tools, namely, cutting dies" **to** "cutting dies for use with converting machinery that makes labels and packaging for food and beverages, and health and beauty products."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

Opposition No. 91212750

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
