Applicant.

Serial No. 85/836,544

Opposition No. 91212768

Mark: DISIDUAL

**ANSWER**

Applicant, Disidual Clothing, LLC (“Disidual Clothing”), by and through its attorneys, Marshall, Gerstein & Borun LLP, responds to the Notice of Opposition filed on October 2, 2013, by INTS It Is Not The Same, GmbH (“INTS”), as follows:

1. The Applicant, Disidual Clothing, LLC (“Applicant”), a Limited Liability Company organized under the laws of Washington and located at 4208 Meridan Street, Bellingham, Washington, 98226, has filed an application to register the “DISIDUAL” mark for use in connection with “apparel, namely, t-shirts, tank-tops, shorts, hats, jackets, sweatshirts, hooded sweatshirts, beanies, socks, pants, dresses, swimsuits, knit face masks, gloves, belts” in International Class 025. Said application was filed on January 30, 2013 under Section 1(a) of the Trademark Act, was assigned U.S. Application No. 85/836,544 and was published for Opposition in the Official Gazette on August 27, 2013. Applicant’s application was filed based on use of the mark claiming a date of first use of at least as early as June 1, 2010 and a date of first use in commerce of at least as early as June 1, 2010.

**ANSWER:** Admitted.

2. Opposer is a leading manufacturer and seller of various products in various international classes, including clothing in International Class 025.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 2 of the Notice of Opposition and therefore denies them.

3. Commencing long prior to Applicant’s filing date and alleged date of first use in commerce, Opposer has engaged, and is now engaged in the manufacture, distribution, sale, advertising and promotion in interstate commerce of clothing in International Class 025.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 3 of the Notice of Opposition and therefore denies them.

4. In connection therewith, Opposer is the owner of the following marks:
  - a. the “DESIGUAL AND DESIGN” mark, U.S. Registration No. 2,088,319, filed on January 23, 1996 and registered on the Principal Register on August 12, 1997, for “clothing, namely footwear and headwear” in International Class 025. *See* [Exhibit A, U.S. Reg. No. 2,088,319].

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 4a of the Notice of Opposition and therefore denies them.

- b. the “DESIGUAL (Stylized)” mark, U.S. Registration No. 3,737,499, filed on October 25, 2007 and registered on the Principal Register on January 12, 2010, for “bleaching preparations for household use and other substances, namely, laundry detergent for laundry use; cleaning, polishing, scouring and abrasive preparations; soaps; perfumery, essential oils, cosmetics, hair lotions; dentifrices” in International Class 003, “sunglasses, spectacle cases, spectacle frames, sports glasses, contact lenses, cases for contact lenses, chains and cords for glasses, namely, pince-nez; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking, supervision, life-saving and teaching apparatus and instruments, namely, sensing and signaling devices for measurement and quality control of materials processing by laser; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, splices for electrical transmission lines, power-line transmission machines and apparatus; apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers, blank record discs; automatic vending machines and mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; fire-extinguishing apparatus” in International Class 009, “handbags, purses, traveling bags, backpacks, haversacks, traveling sets made of leather, namely, suitcases; trunks; umbrellas; parasols and walking sticks; purses made of leather; whips, harnesses and saddlery; wallets made of leather” in International Class 018, and “ready-made clothing for women, men and children, namely, pants, shorts, shirts, T-shirts, jackets, blouses, skirts, dresses; footwear; headgear, namely, hats and caps” in International Class 025. *See* [Exhibit B, U.S. Reg. - c. the “DESIGUAL AND DESIGN” mark, U.S. Registration No. 3,982,329, filed on February 12, 2010 and registered on the Principal Register on June 21, 2011, for “bleaching preparations for household use and other substances, namely, laundry detergent for laundry use; cleaning, polishing, scouring and abrasive preparations; soaps; perfumery, essential oils, cosmetics, hair lotions; dentifrices” in International Class 003, “sunglasses, spectacle cases, spectacle frames, sports glasses, contact lenses, cases for contact lenses, chains and cords for glasses, namely, pince-nez; scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signaling, checking, supervision, life-saving and teaching apparatus and instruments, namely, sensing and signaling devices for measurement and quality control of materials processing by laser; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity, namely, splices for electrical transmission lines, power-line transmission machines and apparatus; apparatus for recording, transmission or reproduction of sound or images; blank magnetic data carriers, blank record discs; automatic vending machines and mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; fire-extinguishing apparatus” in International Class 009, “handbags, purses, traveling bags, backpacks, haversacks, traveling sets made of leather, namely, suitcases; trunks; umbrellas; parasols and walking sticks; purses made of leather; whips, harnesses and saddlery; wallets made of leather” in International Class 018, “ready-made clothing for women, men and children, namely, pants, shorts, shirts, T-shirts, jackets, blouses, skirts, dresses; footwear; headgear, namely, hats and caps” in International Class 025, “retail shops for clothing, fashion and home design accessories of all kinds; dissemination of advertisements; modelling for advertising or sales promotion; organisation of trade fairs for commercial or advertising purposes; advertising services; direct mail advertising” in International Class 035, and “distribution services, namely, delivery of clothing, fashion and home design accessories” in International Class 039. *See* [Exhibit C, U.S. Reg. No. 3,982,329].

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 4c of the Notice of Opposition and therefore denies them.

- d. the “DESIGUAL (Stylized)” mark, U.S. Registration No. 4,113,640, filed on May 26, 2011 and registered on the Principal Register on March 20,

2012, for “bed linen, namely, bed blankets, bed spreads, bed covers, bed pads, pillow cases, mattress covers, bed sheets, sheet sets, duvets; table linen, namely, table cloths, not of paper, place mats, not of paper; towels; travelling rugs; bath linen, except clothing, namely, shower curtains” in International Class 024 and “retail store services featuring all kinds of ready-made clothing and accessories in the fields of fashion and design; dissemination of advertising matter; modeling for advertising or sales promotion; organization of trade fairs for commercial or advertising purposes; advertising; direct mail advertising” in International Class 035. *See* [Exhibit C, U.S. Reg. No. 4,113,640].

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 4d of the Notice of Opposition and therefore denies them.

- e. the “DESIGUAL (Stylized)” mark, U.S. Registration No. 4,269,396, filed on October 17, 2011 and registered on the Principal Register on January 1, 2013, for “precious metals and their alloys; goods of precious metals or coated therewith, not included in other classes, namely, rings, bracelets, necklaces and watches; jewelry, precious stones; horological and chronometric instruments” in International Class 014 and “furniture mirrors, picture frames; goods, not included in other classes, of wood, cork, reed, cane, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum and substitutes for all these materials or of plastics, namely, chairs, poufs, pillows, armchairs, stools, umbrella stands, tables” in International Class 020. *See* [Exhibit C, U.S. Reg. No. 4,269,396].

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 4e of the Notice of Opposition and therefore denies them.

- f. the “DESIGUAL” mark, a common law mark used by Opposer since at least as early as 1995 for “clothing, footwear, and headwear” in International Class 025.

[Hereinafter collectively referred to as Opposer’s “DESIGUAL” Marks].

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 4f of the Notice of Opposition and therefore denies them.

5. Opposer's use of its "DESIGUAL AND DESIGN" mark, as reflected by U.S. Reg. No. 2,088,319, has been continuous, exclusive, public, and substantial since a date of first use in commerce at least as early as March 17, 1995. Opposer's use of its common law "DESIGUAL" mark has been continuous, exclusive, public, and substantial since a date of first use in commerce at least as early as 1995. Opposer's use of its "DESIGUAL (Stylized)" mark, as reflected by U.S. Reg. No. 3,737,499, has a constructive first use date of October 25, 2007. Opposer's use of its "DESIGUAL AND DESIGN" mark, as reflected by U.S. Reg. No. 3,982,329, has a constructive first use date of February 12, 2010. Opposer's use of its "DESIGUAL (Stylized)" mark, as reflected by U.S. Reg. No. 4,113,640, has a constructive first use date of May 26, 2011. Opposer's use of its "DESIGUAL (Stylized)" mark, as reflected by U.S. Reg. No. 4,269,396, has a constructive first use date of October 17, 2011.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 5 of the Notice of Opposition and therefore denies them.

6. Such first use dates and constructive first use dates for Opposer's "DESIGUAL" Marks are long prior to the filing date of Applicant's "DISIDUAL" mark, Application No. 85/836,544, filed on January 30, 2013 and claiming a date of first use in commerce of June 1, 2010.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 6 of the Notice of Opposition and therefore denies them.

7. Applicant's "DISIDUAL" mark would be confusingly similar because:

a. the mark is confusingly similar in appearance to Opposer's "DESIGUAL" Marks;

**ANSWER:** Denied.

b. the mark is confusingly similar in sound to Opposer's "DESIGUAL" Marks;

**ANSWER:** Denied.

c. the mark is confusingly similar in connotation to Opposer's "DESIGUAL" Marks;

**ANSWER:** Denied.

d. the goods of Opposer and the goods of Applicant are closely related and/or marketed through the same or overlapping channels of trade and/or to the same classes of consumers;

**ANSWER:** Denied.

e. Opposer's "DESIGUAL" Marks enjoy a high level of distinctiveness.

**ANSWER:** Denied.

8. Since Opposer's initial use of Opposer's "DESIGUAL" Marks, Opposer has made a substantial investment in advertising and promoting its goods under its trademarks. Opposer has extensively used, advertised, promoted and offered Opposer's goods and rendered services bearing Opposer's "DESIGUAL" Marks to the public through various channels of trade in commerce, with the result that Opposer's customers and the public in general have come to know and recognize Opposer's "DESIGUAL" Marks and associate the same with Opposer and/or goods sold by Opposer and/or services rendered by Opposer. As a result of such extensive use and advertisement, Opposer's customers and the public in general will in the future know and recognize Opposer's "DESIGUAL" Marks and associate the same with Opposer and/or the goods sold by Opposer and/or services rendered by Opposer.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 8 of the Notice of Opposition and therefore denies them.

9. Opposer's "DESIGUAL" Marks constitute the lawful, valued, subsisting, and exclusive property of the Opposer. As a result of the high quality of Opposer's goods and services that are sold under Opposer's "DESIGUAL" Marks, and the extensive sales and advertising made under Opposer's "DESIGUAL" Marks, the aforementioned marks have become an intrinsic and essential part of the valuable goodwill and property of Opposer, and are recognizable and associated by the public as a symbol identifying and distinguishing Opposer's goods and services as those of exceptional quality.

**ANSWER:** Disidual Clothing is without knowledge or information sufficient to form a belief as to the truth of the allegations contained in Paragraph 9 of the Notice of Opposition and therefore denies them.

10. Applicant's "DISIDUAL" mark, U.S. Application No. 85/836,544, so resembles Opposer's "DESIGUAL" Marks as to be likely to cause confusion or mistake, to suggest a connection, or to deceive purchasers into believing that Applicant's goods originate with the Opposer and/or are endorsed or sponsored by the Opposer, and/or that Applicant and/or its goods are otherwise affiliated with the Opposer and its goods.

**ANSWER:** Denied.

11. Use of Applicant's "DISIDUAL" mark will inexorably have an adverse effect upon the value of Opposer's "DESIGUAL" Marks. If this Opposition is not sustained, any defect, objection to, or fault found with Applicant's goods provided under the "DISIDUAL"

mark would necessarily reflect on and seriously injure the valuable goodwill and reputation that Opposer has established, and will establish, for its goods and services.

**ANSWER:** Denied.

12. Based on the foregoing arguments, registration of the mark “DISIDUAL” for use in connection with “apparel, namely, t-shirts, tank-tops, shorts, hats, jackets, sweatshirts, hooded sweatshirts, beanies, socks, pants, dresses, swimsuits, knit face masks, gloves, belts” in International Class 025, as found in U.S. Application No. 85/836,544, filed on January 30, 2013 and published for Opposition in the Official Gazette on August 27, 2013, will cause injury and damage to Opposer.

**ANSWER:** Denied.

### **ADDITIONAL DEFENSES**

- A. The Notice of Opposition fails to state a claim upon which relief may be granted.
- B. The Opposition is barred by laches.
- C. No likelihood of confusion exists between Disidual Clothing’s use of DISIDUAL for the goods identified in its ‘544 Application and INTS or its DESIGUAL marks or DISIGUAL goods and services.
- D. The cited Reg. Nos. 4113640 and 4269396 lack priority of use. Disidual Clothing first used its DISIDUAL mark in commerce in connection with its “t-shirts, tank-tops, shorts, hats, jackets, sweatshirts, hooded sweatshirts, beanies, socks, pants, dresses, swimsuits, knit face masks, gloves, [and] belts” as early as April 2010. As to Reg. ‘640, INTS filed its request for extension of protection based on an international registration issued May 26, 2011, and INTS claims constructive first use as of that date. (Not. of Opp. ¶ 5.) With respect to Reg. ‘396, INTS applied for registration on October 17, 2011, and later established first use of its mark in commerce on February 20, 2012. Such constructive first use dates for INTS’s DESIGUAL marks are subsequent to Disidual Clothing’s first use of its DISIDUAL mark in April 2010.

Accordingly, cited Reg. Nos. 4113640 and 4269396 should be stricken from the opposition as lacking priority as requested in Disidual Clothing's concurrently filed motion to strike.

## **COUNTERCLAIM**

### CANCELLATION OF REGISTRATION NO. 2,088,319

Disidual Clothing believes that it will be damaged by the continued registration of the mark DESIGUAL (Stylized), Reg. No. 2,088,319, and therefore requests cancellation of the registration due to INTS's abandonment of the mark. Disidual Clothing requests full cancellation of Reg. No. 2,088,319 and in support states as follows:

1. INTS (or its predecessor-in-interest; collectively, "INTS") filed Ser. No. 75,047,585 to register DESIGUAL (Stylized) on January 23, 1996, for "clothing, namely footwear and headwear" in International Class 25. INTS claimed a first use date of March 17, 1995. INTS's application was published on August 27, 1996, and registered on August 12, 1997.

2. To maintain its registration, INTS filed a combined sections 8 and 15 declaration affirming use on February 3, 2003. The declaration stated that "The owner has used the mark in commerce for five consecutive years after the date of registration . . . and is still using the mark in commerce on or in connection with all goods and/or services listed in the existing registration." As presently, at the time the registration identified "clothing, namely footwear and headwear" in International Class 25.

3. With its February 3, 2003, sections 8 and 15 declaration, INTS provided a specimen described as "a scanned image of a tag" that bore the mark. No specimens were provided showing the mark applied to the footwear and headwear identified in the registration.

4. Subsequently, INTS filed a combined sections 8 and 9 declaration of use and renewal on October 25, 2006. The declaration stated that "For International Class 025, the

owner, or its related company, is using the mark in commerce on or in connection with all goods or services listed in the existing registration for this class.” As presently, at the time the registration identified “clothing, namely footwear and headwear” in International Class 25.

5. With its October 25, 2006, sections 8 and 9 declaration, INTS provided a specimen described as “a digital image of the mark affixed to the goods” depicting the mark affixed to a hooded sweatshirt. According to the U.S. Acceptable Identification of Goods and Services Manual, “hooded sweatshirts” is an identification within class 25. Hooded sweatshirts, however, are not identified in the registration and, therefore, the submitted specimen does not establish use on goods covered by the registration. Moreover, the specimen depicts the mark in an ornamental use, not as a trademark. *See* T.M.E.P. § 1202.03. No specimens were provided showing the mark applied to the footwear and headwear identified in the registration. Use was not properly established sufficient for renewal in 2006.

6. A complete and valid declaration under section 8 of the Lanham Act must be signed and verified by a declaration affirming use on all of the identified goods or services and accompanied by a specimen showing current use of the mark. 37 C.F.R. § 2.161. Specifically, the specimen must “[s]how the mark as actually used on or in connection with the goods.” *Id.*

7. No specimen has ever been filed with the Patent and Trademark Office showing the mark as actually used on or in connection with the identified headwear and footwear as required by 37 C.F.R. § 2.161.

8. As indicated in paragraphs 2-5, INTS has never properly established use of the mark by providing the Patent and Trademark Office with a specimen showing the mark used on any of the identified goods.

9. Additionally, a search of INTS's desigual.com retail website reveals no trademark uses of the design mark on the goods identified in the registration—footwear and headwear—or on any other goods. See Exhibit A.

10. On information and belief, the DESIGUAL (Stylized) mark covered by Reg. No. 2,088,319 is not presently in use as a trademark on the identified goods.

11. On information and belief, and despite INTS's section 8 declarations in 2003 and 2006, the DESIGUAL (Stylized) mark covered by Reg. No. 2,088,319 has not been used as a trademark on the identified goods.

12. Pursuant to 15 U.S.C. § 1064(3), Reg. No. 2,088,319 has been abandoned and should be cancelled in full.

WHEREFORE, Disidual Clothing requests that the Board deny the opposition, cancel Reg. No. '319, and allow its '544 Application to register.

Respectfully submitted,

**When will I receive my order?**

Orders are delivered by UPS **within 4-8 working days** (this period is for information purposes only and depends on the State).

We usually deliver on time, but we cannot always guarantee punctuality. When the order leaves the warehouse, you will receive an email stating the estimated delivery date.

Deliveries are made between Monday-Friday and never on Public Holidays. Bear in mind that deliveries are made in normal working hours, it is therefore a good idea to use an address where someone can collect your delivery.

## 1. Purpose

The present sale terms (hereinafter, "Sale Terms") regulate the agreement between the company Abasic, S.L., domiciled at Passeig Mare Nostrum, 15, 08039 Barcelona, Spain, duly registered with the Commercial Registry of Barcelona ("Desigual") and the customer ("Customer") formalised through the website [www.desigual.com](http://www.desigual.com) (the "Website") for purchasing the products from Desigual via the Website.

## 2. Contracting Procedure

### 2.1. Eligibility to Purchase

In order to place an order through the Website, the Customer must be 18 years or older and be the final consumer. Minors are expressly excluded.

If the Customer decides to register and it was not member of the Amig@ program, the Customer will be automatically registered as such in our system. The rights and benefits arising from being registered as Amig@Desigual are the ones indicated under the section "Amig@Desigual" at [www.desigual.com](http://www.desigual.com).

### 2.2. How to Place an Order

Placing an order through Desigual Website consists of the following steps:

1. Choose the products that you like and add them to "Your Bag".
2. Proceed to check out
3. Enter the delivery and billing information.
4. Choose a method of payment and click on "Send Order". By activating the "Send Order" button on the order form, the Customer fully and without reservation accepts all the Sale Terms as per the Website at the moment of contracting.
5. Make the payment.
6. If the payment is authorised, the Customer will receive confirmation of receipt of the order. With the exception of the circumstances described in Sections 2.3 and 2.4 below, this confirmation constitutes acceptance by Desigual of the Customer's order and creates a binding agreement between Customer and Desigual.

It is recommended that the Customer prints and/or saves a copy of the Sale Terms when placing the order.

A copy of the confirmation of receipt will be sent to the Customer' e-mail address. It is recommended to print or download the copy for possible future consultation.

Desigual may change the Sale Terms at any time, without prior notice to the Customer. However, Desigual will announce such changes on the Website. Also, once the Customer has received confirmation of receipt from Desigual of his/her order, the Sale Terms applicable to that order will not be changed.

### **2.3. Availability of Products**

The completion of an order through the Website is subject to the availability of the garments. Desigual attempts to guarantee stock of all garments on sale.

If the product ordered is not available or there is no stock of it, the Customer will be informed by e-mail and refunded the amount paid within 30 days of the payment.

### **2.4. Desigual' Right to Cancel or Not Accept an Order**

Desigual reserves the right to reject any order as well as cancel or not accept a confirmed order for, amongst others, the following reasons:

- There was a technical or pricing error on the Website at the time the order was placed. Please try again later
- The ordered product is not available.
- The billing information given was incorrect or unverifiable.
- Security systems indicate that the order is abnormal or may be fraudulent.
- There is a reason to believe that the Customer is under 18 years of age.
- Desigual has been unable, after 3 attempts, to deliver the order at the address provided.

If an order is cancelled for any of the above reasons, Desigual will refund (if applicable) the value of the order. Delivery expenses are never refunded, except in certain circumstances.

### **2.5. Verification of Data**

Prior to processing an order placed by the Customer, Desigual may verify the Customer' data. This may involve verification of the address and solvency of the Customer, and whether fraud is involved. With respect to possible fraud, Desigual may use partially automatic verification of all purchases in order to filter out those considered abnormal or suspicious and those suspected of fraud. Orders suspected of fraud will be investigated, and the Customer may be reported to the appropriate authorities, which may prosecute.

## **3. Price and Payment**

### **3.1. Prices and Currency**

The prices and offers presented on the Website include Value-Added Tax ("VAT") and are valid only for orders placed on-line through the Website. These prices and offers may not coincide with those available in other Desigual shops throughout the world.

Prices are given in Euros. Should the Customer change the delivery country while browsing the Website, prices may as of that moment be expressed in a different currency.

Desigual informs that changing the delivery country may have an impact on the price due to the exchange rate or the prices specific for that country.

### **3.2. Method of Payment**

To pay for the order the Customer may use the following credit or debit cards: Visa, Visa Electron, MasterCard, Maestro or American Express, or PayPal. The charge will be made upon confirmation of the order.

### **3.3. Changes in Price**

The prices shown on the Website are subject to change. Desigual reserves the right to change prices without prior notice. However, once the confirmation of receipt of an order is received from Desigual, the price payable in respect of that order will not be changed.

Desigual informs that despite careful updates of the Website the prices shown may be erroneous. Any prices shown in error will be amended as soon as possible and shall not be binding on Desigual.

### **3.4. Value-Added Tax**

To comply with current VAT distance selling regulations, deliveries will be assumed to take place in the Member State indicated in the shipping address.

Thus, any purchase made through the Website will be subject to VAT. The VAT will be at the legal rate in effect in the Member State where the goods of a given order are to be delivered.

Customers outside VAT territories: according to Desigual® VAT policy, customers in these areas purchasing from the Website will be charged VAT when placing an order.

## **4. Transport and Delivery**

### **4.1. Delivery: Where and When**

The deliveries are made from Monday through Friday. No deliveries are made on weekends or local holidays. The orders can be delivered only to private residences or offices in

France

Deliveries are made during business hours. Thus, to facilitate delivery, the Customers are asked to use their work address or any other address where there might be someone to receive the package.

### **4.2. Lead Time**

Orders are usually delivered within 5 to 8 business days. The delivery schedule is usually met, and although Desigual cannot guarantee punctuality, all orders are delivered within 30 days from the date of confirmation of receipt of the order, at the latest. Once an order is shipped, the Customer receives an e-mail notification about the expected delivery date.

### **4.3. Verification on Receipt**

The Customer must verify the state of the packaging upon delivery. If the package is damaged, the

Customer must not accept the delivery. The amount of the purchase and the delivery expenses will be refunded to the Customer once the warehouse has processed the return of the products. Desigual informs that the delivery must be verified within a reasonable time after receipt. In case no notice of rejection of the products is received within 30 days of delivery, Desigual will consider the Customer to have accepted the delivery. This does not affect the Customer' right to return or exchange any order as set out in Section 6 below.

## 5. Delivery Expenses

Germany	9,95 €
Spain	5,95 €
The Netherlands	9,95 €

## 6. Returns, Exchanges, and Cancellations

### 6.1. Return of Non-conforming Products

The Customer has the right to return defective products or non-conforming products. The Customer has 2 months from the moment of detecting product non-conformity to inform Desigual about the defect or lack of conformity and to return the product to Desigual.

If the Customer returns a product because it is defective or non-conforming and the return is approved, Desigual will refund the value of the product and the delivery expenses, as well as the direct costs involved in the return, within thirty (30) days of Desigual' receipt of the returned product.

The above is notwithstanding the Customer' rights as a consumer under mandatory consumer protection law.

### 6.2. Return of Products for Any Reason (Right of Withdrawal)

If the Customer is not satisfied for any reason with the products purchased, he/she will have 30 calendar days from the delivery date to return the product with no need for an explanation of any kind. The Customer may return the purchased product, provided that:

- The product has not been washed or used in any way (other than reasonable wear and tear from examining and/or trying on the product).
- The product is complete (two elements forming a pair must be returned together).

The product must be returned and the Customer must assume the expenses of this return. The products are to be returned with their original packaging and labelling, together with the applicable Returns Note. Upon satisfactory inspection of the returned goods, Desigual will refund the price of the product within

thirty (30) days of receiving the order cancellation and product return notification from the Customer. The delivery expenses are never refunded (except in case of incorrect or defective items); the customer will also have to pay for the return expenses.

### **6.3. Product Exchange**

At the moment, products cannot be exchanged. To obtain a product in another colour or size, the Customer must return the original item and place a new order through the Desigual Website.

### **6.4. Return of Gifts**

To return a product received as a gift, the Customer is asked to contact the purchaser and ask him/her to follow the return procedure. The refund will be made in the original payment method.

### **6.5. Information on Refunds**

The refund will be made in the same manner as the original payment.

Desigual will not make the refund until receiving the returned product and verifying the condition of the product in the warehouse; once the condition of the returned product has been verified, the Customer will be refunded the relevant amount within thirty (30) days of receipt of the returned product at Desigual.

## **7. Conditions Applicable to Promotional Codes (Discounts)**

7.1. When promotional codes are used according to their terms and conditions, they are applied for a single discount on a purchase of a single product or a discount on an order for the time indicated by the promotional code.

7.2. Promotional codes are personal and may not be transferred. They may only be used for purchases on the Website. The Customer may not sell, exchange, or assign the promotional code. The promotional code may not be uploaded or disclosed through websites or other media making public offers, gifts, sales, or exchanges. Promotional codes may not be used for commercial purposes.

7.3. Only one promotional code can be used per product and per order. Promotional codes may not be combined with any other special offer or promotion.

7.4. Promotional codes may not be exchanged for money.

7.5. Desigual is under no obligation to reissue or refund promotional codes. However, if Desigual decides at its own discretion to reissue or refund promotional codes, the Customer' promotional code would be needed to do so. Thus the Customer is asked to always keep a copy of the promotional code, without which it cannot be reissued or refunded if lost.

7.6. Desigual reserves the right to void a promotional code immediately if it suspects that it is being used in violation of any of the above conditions or in any other improper manner or if it has reasonable grounds for voiding it.

## **8. Validity of Offers (“Sales in Promotion”)**

they appear on the Website, unless otherwise specified thereon.

9.2. Subject to clause 9.4, the maximum aggregate liability of either party to the other on all claims of any kind under or related to these Sale Terms, whether in contract, warranty, condition, tort, strict liability, statute, or otherwise, SHALL BE LIMITED TO THE AMOUNT PAID TO DESIGUAL FOR THE PRODUCT IN QUESTION.

9.3. Subject to clause 9.4, IN NO EVENT, WHETHER AS A RESULT OF BREACH OF CONTRACT, WARRANTY, CONDITION, TORT, STRICT LIABILITY, STATUTE OR OTHERWISE SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY SPECIAL, CONSEQUENTIAL, INCIDENTAL, OR INDIRECT DAMAGES.

9.4. Nothing in these Sale Terms shall limit or exclude Desigual' liability for (i) death or personal injury caused by Desigual' negligence, (ii) fraud, (iii) any breach of the obligations implied by applicable compulsory national laws or (iv) any liability which cannot be excluded by law.

## Desigual since 1984

### We dress people, not bodies

At the young age of 20 Thomas Meyer, originally from Switzerland, envisaged a future in which people dressed in a different way, in clothes that helped generate positive feelings, affordable to all. And out of this dream Desigual was first born in 1984.

Ever since, it has emanated positivism, commitment, tolerance, constant improvement, innovation and fun. Because, as our first slogan claimed, Desigual is not the same.
