Ellen Yowell, Paralegal Specialist:

Opposer/Petitioner's consented motion (filed November 13, 2015) to further suspend this proceeding for 60 days is granted.

The parties are reminded that any future motion to extend or suspend must be accompanied by a detailed report. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended for 60 days, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c) and 2.127(a); TBMP § 605.02.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall

resume without further notice or order from the Board, and will proceed upon the schedule set forth in Opposer/Petitioner's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application or registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
