Siemens Medical Solutions USA, Inc.
and Cerner Innovation, Inc.

v.

InnoPath Software, Inc.

Jennifer Krisp, Interlocutory Attorney:

On February 27, 2015, opposer filed a motion to substitute party due to an assignment of the pleaded registration from Siemens Medical Solutions USA, Inc. to Cerner Innovation, Inc., recorded in the Office's Assignment Branch at Reel 5452 Frame 0635, on February 4, 2015. Applicant did not file a brief in opposition to the motion.

In view thereof, the motion is granted, and Cerner Innovation, Inc. is hereby joined as a party plaintiff in this proceeding. *See* TBMP Section 512.01 (2014) (a party will be joined rather than substituted when assignment occurs after commencement of proceeding to facilitate discovery).

The change in opposer's correspondence address is noted.

Dates remain as set in the Board's order dated August 1, 2014.
