v.

Stephanie Day Lake

Christen M. English, Interlocutory Attorney:

The Board issued an order on June 2, 2016 (the “Suspension Order”) suspending proceedings pending disposition of Applicant’s motion for summary judgment, filed June 1, 2016. That same day, Opposers filed a motion for summary judgment.

Accordingly, the Suspension Order is modified to the extent that proceedings are suspended for the parties’ cross-motions for summary judgment.¹ The Suspension Order otherwise remains unchanged.

¹ Applicant’s motion for summary judgment concerns Opposers’ claims of priority and likelihood of confusion while Opposers seek summary judgment on the claim that Applicant lacked a *bona fide* intent to use the involved mark for the identified goods at the time it filed the involved application.
