v.

Jose Adrian Corona Radillo

Elizabeth A. Dunn, Attorney:

On February 11, 2014, the Board ordered the parties to appear for the discovery conference on February 14, 2014, noting that dates would be reset at the conference.

On February 12, 2014, applicant, who had requested the Board's participation, withdrew its request, asserting that the parties had conducted the conference on December 30, 2013.¹

This order clarifies that the schedule set forth in the Board's October 21, 2013 institution and trial order remains in effect.

¹ The parties are ordered to promptly withdraw in writing any written motions to the Board when subsequent events make the motion moot.
