**CONSENTED MOTION TO AMEND DESCRIPTION OF GOODS IN
APPLICATIONS**

Applicant, Halo2Cloud, LLC, through its counsel, and pursuant to settlement negotiations, hereby requests that the description of goods in Class 009 for the above-identified trademark applications be amended as shown in the below red-lined and clean copies of the proposed amendment:

(Red-lined copy): Ready-to-use accessories for consumer electronic devices, namely, power supply connectors, data cable connectors, Ethernet cable connectors, USB cable connectors, fiber optic cable connectors, and multimedia interface cable connectors, power supply adapters, electric adapters, and plug adapters, power supply cables and data cables in the nature of Ethernet cables, USB cables, fiber optic cables and multimedia interface cables; Battery chargers and rechargers; Accessories for telecommunications devices, namely, earpieces, speakers, and mounting devices; Media players and MP3 players; Portable handheld electronic digital video messengers for recording, storage, transmission or reproduction of visual, audio and data content; and Computer storage devices, namely, external hard drives, blank flash drives and high-speed storage subsystems for storage and backup of electronic and digital data locally and via a telecommunications network all of the aforementioned specifically excluding electronic connectors and adapters for use with local area networks (LAN) or wide area networks (WAN), modules, transformers, filters and any magnetic coupling components that may be used in communications products.

(Clean copy): Ready-to-use accessories for consumer electronic devices, namely, power supply connectors, data cable connectors, Ethernet cable connectors, USB cable connectors, fiber optic cable connectors, and multimedia interface cable connectors, power supply adapters, electric adapters, and plug adapters, power supply cables and data cables in the nature of Ethernet cables, USB cables, fiber optic cables and multimedia interface cables; Battery chargers and rechargers; Accessories for telecommunications devices, namely, earpieces, speakers, and mounting devices; Media players and MP3 players; Portable handheld electronic digital video messengers for recording, storage, transmission or reproduction of visual, audio and data content; and Computer storage devices, namely, external hard drives, blank flash drives and high-speed storage subsystems for storage and backup of electronic and digital data locally and via a telecommunications network all of the aforementioned specifically excluding electronic connectors and adapters for use with local area networks (LAN) or wide area networks (WAN), modules, transformers, filters and any magnetic coupling components that may be used in communications products.

Respectfully submitted,

HALO2CLOUD, LLC,
Applicant
