v.

BNA Wine Group, LLC

Millicent Canady, Paralegal Specialist:

Applicant's consented motion (filed March 12, 2015) to suspend this proceeding for 30 days is granted.

Because the parties are continuing negotiating for a possible settlement of this case, and are in the process of finalizing the details of a Settlement and Coexistence Agreement, proceedings are suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rule 2.117(c), and 2.127(a); and TBMP § 605.02).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth in Applicant's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
