Opposition No. 91213445

Malgor & CO, Inc.

v.

Luminara Worldwide, LLC

**Amy Matelski, Paralegal Specialist:**

On April 25, 2014, the Board suspended the above captioned opposition and forwarded the underlying application (Serial No. 85123625) to the Intent-to-Use Division of the Office for consideration of applicant's motion to divide the application. A review of the record reveals that, on May 5, 2014, the divisional request was completed, and as a result, the "parent" application (Serial No. 85123625) retained the goods identified in International Class 4 and the newly created "child" case (Serial No. 85981647) contains the goods identified in Class 11. Inasmuch as this opposition pertained only to the services in Class 4, the "child" application will be forward to issuance of a registration.

In view thereof, proceedings with regards to the "parent" application are resumed and trail dates are reset on the following schedule:
