Virgin Enterprises Limited

v.

China Jade Corporation

On December 23, 2013, opposer filed the parties' stipulation, comprising a proposed amendment to applicant's involved application Serial No. 85852422, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to change the identification of goods in International Class 25 as follows (added wording is underlined):¹

Caps; T-shirts; all of the aforesaid goods relating to the promotion of recreation and tourism in the Virgin Islands.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

¹ The identification of goods and services for opposed application Serial No. 85850529 remains unchanged.

Opposition No. 91213488

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
