15 A. I would drive the live cattle into
16 the stunning area. I did most of the jobs on the
17 cattle processing floor. I learned all the jobs
18 in the cooler, shrouding beef, taking out shroud
19 pins, stamping the beef with the name "Greater
20 Omaha." Sawing up the carcasses, ribbing them.
21 Packaging variety meats. Scaling, loading beef

20 primals or subprimals of beef that are hanging
21 from a hook, not necessarily on a trolley but
22 maybe on another system, to suspend the cut
23 through a hook.

24 Q. Do you see any hanging beef in
25 Exhibit GOP-61?

1 A. Yes.

2 Q. Where do you see any hanging beef in
3 that exhibit?

4 A. I see hanging beef in Exhibit 61 in
5 the three middle pictures on the left.

6 Q. And are those hanging sides of beef?

7 A. Yes.

8 Q. Back in the period between 1965 and
9 1972 when you worked part-time at the 26th Street
10 plant, did you ever see hanging beef like that
11 shown in Exhibit GOP-61?

12 A. Yes.

5 of stamping the name "Greater Omaha" on hanging
6 sides of beef?

7 A. To identify the quarters and primals
8 and subprimal cuts with the origin of them which
9 was Greater Omaha.

10 Q. Would that be so your customers would
11 know where their beef came from?

12 A. Yes.

13 Q. Was there any governmental
14 requirement that a beef provider apply a stamp to
15 the beef which identified the beef provider?

16 A. Yes.

17 Q. Which government agency had
18 requirements?

19 A. The USDA required the name and the
20 USDA establishment number.

21 Q. Mr. Davis, I now show you a drawing
22 which has been marked Exhibit GOP-65. The

24 bottom. Are you familiar with this exhibit?

25 A. Yes, I am.

1 Q. What is Exhibit GOP-65?

14 Q. Did the stamp which you applied
15 between 1965 and 1972 ever contain the four words
16 "Greater Omaha Packing Company"?

17 A. No.

18 Q. Did the stamp which you applied
19 between 1965 and 1972 always contain the number
20 960?

21 A. Yes.

22 Q. What did the number 960 mean?

23 A. That is the USDA inspected number
24 issued to Greater Omaha.

25 Q. So that's the establishment number of

1 your plant?

2 A. Yes.

3 Q. Did the stamp which you applied
4 between 1965 and 1972 always look just like your
5 Exhibit GOP-65 sketch?

6 A. Yes.

7 Q. Thank you. Mr. Davis, I now show you
8 a two-page brochure dated 2015-2016 entitled
9 Ketchum Manufacturing Inc. meat and poultry
10 processing. This exhibit has been marked
11 Exhibit GOP-66. The exhibit bears Bates numbers
12 GOP-1002 and 1003. Are you familiar with this
13 exhibit?

14 A. Yes.

15 Q. What is this exhibit?

16 A. It's a brochure put out by the
17 Ketchum Manufacturing Incorporated company. It's
18 for the meat and poultry processing industry.
19 And it is -- promotes their animal identification
20 systems.

21 Q. In Exhibit GOP-66 do you see any
22 stamps and hammers?

23 A. Yes.

24 Q. Please look at the second page of
25 Exhibit GOP-66 which is Bates numbered GOP-1003.

1 Also, please look at your Exhibit GOP-65 sketch.
2 Are the circular custom meat stamps shown on the
3 second page of Exhibit GOP-66 similar to the
4 stamp which you sketched in Exhibit GOP-65?
5 A. Yes.
6 Q. Did you use a hammer to apply the
7 Exhibit GOP-65 stamp to the hanging sides of
8 beef?
9 A. Yes.
10 Q. Is the meat stamp hammer shown at the
11 bottom left on the second page of Exhibit GOP-66
12 similar in any way to the hammer which you used
13 to apply the Exhibit GOP-65 stamp to the hanging
14 sides of beef?
15 A. Yes, very similar.
16 Q. Is it identical?
17 A. No. The stamps that we used had a
18 wooden handle.
19 Q. You mean the hammer you used had a
20 wooden handle?
21 A. Yeah, the hammer that we used had a
22 wooden handle. This one has a plastic handle it
23 says.
24 Q. I now show you a four-page brochure
25 dated 1998 entitled the Meat Buyers Guide by

1 National Association of Meat Purveyors. The
2 exhibit's been marked Exhibit GOP-67. The
3 exhibit bears Bates numbers GOP-1004 through
4 1007. Are you familiar with this exhibit?

5 A. Yes.

6 Q. What is this exhibit?

7 A. It's a Meat Buyers Guide by the
8 National Association of Meat Purveyors to
9 identify the different cuts of meat and the
10 skeletal -- provides a skeletal chart of beef.
11 It tells about the different cuts, the primal
12 cuts of beef, and it tells about the standard
13 primal cuts of lamb.

14 Q. Does the second page of
15 Exhibit GOP-67 Bates numbered GOP-1005 show a
16 sketch of a hanging side of beef with
17 identifications of various structural locations
18 on the beef?

19 A. Yes.

20 Q. Does the third page of Exhibit GOP-67
21 Bates numbered GOP-1006 show a photograph of a
22 hanging side of beef with one or more stamps
23 being shown on the beef?

24 A. Yes.

25 Q. Does the fourth page of

1 Exhibit GOP-67 Bates numbered GOP-1007 show a
2 photograph of a hanging lamb with many stamps
3 being shown on the lamb?

4 A. Yes.

5 Q. Now, Mr. Davis, using
6 Exhibits GOP-65, 66, and 67, please slowly
7 describe exactly what you did when you stamped
8 the name "Greater Omaha" on hanging sides of beef
9 in the cooler at Greater Omaha Packing Company
10 between 1965 and 1972.

11 A. I would take the hammer similar to
12 the one on GOP-1001 exhibit. I would take the
13 head of that which had the stamp on it and I
14 would hit it against a brush that had edible blue
15 ink on it. I would then take that hammer and I
16 would hit the hind quarter, the round, the loin,
17 the rib, the chuck, and both shanks on each side.

18 MR. SAMUELS: Let the record show
19 that when Mr. Davis referred to exhibits, he was
20 actually talking about the Bates numbers, but
21 what he said will make sense with regard to the
22 Bates numbers.

23 Q. Now, Mr. Davis, so you testified that
24 you had a hammer like that shown on page 2 of
25 Exhibit GOP-66; is that correct?

1 A. Yes.

2 Q. You used that hammer?

3 A. Yes.

4 Q. And you said that the hammer had a
5 head something like the sketch that you made in
6 Exhibit GOP-65; is that correct?

7 A. It had a stamp like Exhibit 65.

8 Q. Thank you. And then you hit the
9 hammer against the hanging side of beef in seven
10 locations such as are shown on the beef skeletal
11 chart of Exhibit GOP-67; is that correct?

12 A. Well, I'd hit it on the round, the
13 loin, the rib, the chuck, and both shanks.

14 Q. Thank you for clarifying that. And
15 as a result, would there be seven visible blue
16 ink stamps on the beef much like the stamps which
17 are shown on the third and fourth pages of
18 Exhibit GOP-67?

19 A. Yes.

20 Q. And just to be clear, did each of the
21 seven ink stamps that you just described applying
22 to a hanging side of beef look just like the
23 sketch which you made which is Exhibit GOP-65?

24 A. Yes.

25 Q. And did you personally stamp the name

1 "Greater Omaha" on hanging sides of beef in each
2 and every year from 1965 to 1972?

3 A. Yes.

4 Q. Did you ever become employed
5 full-time by Greater Omaha Packing Company?

8 Greater Omaha Packing Company, although you
9 didn't get paid. Did you say you came to the
10 plant between 1963 and 1964?

11 A. '65.

12 Q. And '65?

13 A. Well, between 60 -- when I was 12 and
14 13, I just came as -- wouldn't necessarily say I
15 was employed. I was just observing.

16 Q. You observed. Did you observe any
17 employee of Greater Omaha Packing Company in 1963
18 and 1964 applying the Greater Omaha 960 stamp to
19 hanging beef?

20 A. Yes.

21 Q. In both years?

1 A. Yes.

2 Q. Was that right after your graduation
3 from college?

4 A. Yes.

3 the Greater Omaha ink stamps stay on the beef
4 until the beef was actually delivered to and
5 unloaded by Defendant Greater Omaha's customers?

6 A. Yes.

7 Q. Based on your own personal knowledge,
8 is it true or false that customers who bought

10 from 1963 to 2000 had to see the Greater Omaha

12 the hanging beef?

13 A. Yes.

14 Q. Did your grandfather, Herman Cohen,
15 ever tell you approximately for how long the

16 which they received from your 26th Street plant?

17 A. They cut it into smaller pieces,
18 vacuum-packed it, put the same pieces in a box,
19 labeled them and fabricated them.

20 Q. Did they then ship the boxed beef to
21 your customers?

22 A. Yes.

23 Q. Beginning in 1992 did your company
24 need to have shipping boxes made which could be
25 used by the Gomez Avenue plant to ship boxed

1 primal and subprimal cuts and other parts of
2 beef?

3 A. Yes.

4 Q. Did the printing on such shipping
5 boxes have to be approved by the U.S. Department
6 of Agriculture?

7 A. Yes.

8 Q. Did you want your new shipping boxes
9 to have a trademark on them?

10 A. Yes.

11 Q. Why did you want your trademark on
12 the shipping boxes?

13 A. To identify the beef that we produced
14 to our customers.

15 Q. What did you do to create that new
16 trademark?

17 A. We designed a trademark with the name
18 "Greater Omaha 1920."

19 Q. Did it have the design of Nebraska?

20 A. The state of Nebraska -- the outline
21 of the state of Nebraska and a steer head
22 inserted in the panhandle of the state and a star
23 where Omaha is.

24 Q. And you said "we" did this. Who else
25 besides yourself?

1 A. Me and Angelo Fili.

2 Q. Since you testified already that you
3 had personally observed your company and
4 participated in yourself stamping the two words
5 "Greater Omaha" trademark on beef since as least
6 as early as 1963, why did you and Mr. Fili want
7 to create a new trademark?

8 A. We wanted to modernize our trademark.
9 We wanted to indicate that we've been in business
10 since 1920. We wanted to identify ourselves from
11 the state of Nebraska. We wanted to identify
12 ourselves with the star, we're in Omaha. Just
13 wanted to modernize and update our logo.

14 Q. When you and Mr. Fili were in the
15 process of creating the new trademark, did you
16 ever have any thoughts about either Omaha Steaks
17 International, Inc. or any of that company's
18 trademarks?

19 A. No.

20 Q. Did you or Mr. Fili arrange to have
21 an application for approval prepared and sent to
22 the U.S. Department of Agriculture which
23 contained your new Greater Omaha and steer head
24 logo trademark?

25 A. Yes.

1 Q. I now show you Exhibit GOP-8 which is
2 a three-page document entitled U.S. Department of
3 Agriculture application for approval which is
4 dated March 25, 1992. Exhibit GOP-8 was an
5 exhibit in the Angelo Fili deposition. Exhibit
6 GOP-8 bears Bates numbers 0150 through 0152. Are
7 you familiar with that document?

8 A. Yes.

9 Q. What is it?

10 A. It is an application to the USDA for
11 approval of our name and our box design.

12 Q. Do you mean that the second and third
13 pages attached to the first page of Exhibit GOP-8
14 application show two sides of a shipping box?

15 A. Yes.

16 Q. Is any street address shown on the
17 shipping box?

18 A. Yes.

19 Q. What does it say as far as an address
20 is concerned?

21 A. 2519 Gomez Avenue.

22 Q. Omaha, Nebraska?

23 A. Omaha, Nebraska 68107.

24 Q. Is that the same Gomez Avenue address
25 which is shown on the first page of the

1 application form?

2 A. Yes.

3 Q. Mr. Davis, based on your own personal
4 knowledge, did Greater Omaha Packing Company
5 begin in 1992 to ship boxed primal and subprimal
6 cuts and other parts of beef in boxes that looked
7 just like the shipping box shown on Bates numbers
8 GOP-0151 and 0152 of Exhibit GOP-8?

9 A. Yes.

10 Q. For approximately how many years were
11 the Exhibit GOP-8 shipping boxes used by the
12 Gomez Avenue plant to ship boxed beef?

13 A. From 1992 to the year 2000.

14 Q. Take a look again. This is the box
15 that shows the Gomez Avenue plant.

16 A. Oh, the Gomez Avenue. That was 1996.
17 From '92 to '96.

18 Q. Thank you. How do you know that it
19 was only until 1996?

20 A. In 1996 I completed this plant over
21 here that we are at now.

22 Q. And the address of the plant that we
23 are at now is?

24 A. 3001 L Street.

25 Q. And did the 3001 L Street plant house

1 the fabrication operation?

2 A. Yes.

3 Q. When did Greater Omaha Packing
4 Company start its boxed beef fabrication
5 operation at the L Street plant?

6 A. In 1996.

7 Q. Thank you. Mr. Davis, I now show you
8 a document marked Exhibit GOP-10 which is a
9 six-page brochure. Exhibit GOP-10 was an exhibit
10 in the Angelo Fili deposition. The exhibit bears
11 Bates numbers GOP-0535 through 0540.

12 Exhibit GOP-10 is entitled Greater Omaha since
13 1920 and has a photograph of a person on the last
14 page. Who is that person?

15 A. That is me.

16 Q. Are you familiar with this exhibit?

17 A. Yes.

18 Q. Did you have any involvement in
19 creating Exhibit GOP-10?

20 A. Yes.

21 Q. What is this exhibit?

22 A. It is a promotional piece for our
23 company sent to our customers.

24 Q. Does Exhibit GOP-10 describe what
25 you -- your company does?

1 A. Yes.

2 Q. I see on the second page Bates
3 numbered GOP-0536 a photograph of beef. Is that
4 a photograph of what you have been calling
5 hanging beef?

6 A. Yes.

7 Q. On the last page of the
8 Exhibit GOP-10 brochure Bates numbered GOP-0540
9 in the photograph of you, I see what appears to
10 be eight shipping boxes; is that correct?

11 A. Yes.

12 Q. Please look at Exhibit GOP-8. Is the
13 Greater Omaha and steer head logo trademark
14 printed on the eight shipping boxes in your
15 Exhibit GOP-10 photo substantially identical to
16 the trademark printed on the shipping box which
17 was approved in 1992 by the U.S. Department of
18 Agriculture as shown in Exhibit GOP-8?

19 A. Yes.

20 Q. Mr. Davis, looking again at
21 Exhibit GOP-10, I see that almost every page
22 contains information about the measures which
23 your company takes to ensure that your trademark
24 beef achieves the highest attainable quality.
25 Based on your own personal knowledge, was the

1 information in Exhibit GOP-10 relating to quality
2 and safety true when they were written in
3 approximately 1997?

4 A. Yes.

5 Q. Based on your own personal knowledge,
6 between 1997 and today has the quality and safety
7 of Defendant Greater Omaha's trademark beef
8 increased in quality or decreased in quality?

9 A. Increased.

11 Exhibit GOP-10?

12 A. Yes.

13 Q. Do you believe that everything that
14 is said in Exhibit GOP-10 was true in 1997 to the
15 best of your own personal knowledge?

16 A. Yes.

17 Q. I now show you an exhibit marked
18 Exhibit GOP-12 which is a drawing. This exhibit
19 bears Bates number GOP-0158. Exhibit GOP-12 is
20 dated January 23, 1998. Are you familiar with
21 this document?

22 A. Yes.

23 Q. What is Exhibit GOP-12?

24 A. It is an illustration of a box,
25 cardboard box.

1 Q. Does it show any printing?

2 A. Yes.

3 Q. What is the purpose of having
4 printing on Exhibit GOP-12?

5 A. To identify the origin of the beef
6 that we produce.

7 Q. And is that to tell the manufacturer
8 of the boxes what you want to have on your boxes?

9 A. Yes.

10 Q. Based on your own personal knowledge,
11 did a box manufacturer make shipping boxes for
12 Greater Omaha Packing Company that looked exactly
13 like Exhibit GOP-12?

14 A. Yes.

15 Q. Based on your own personal knowledge,
16 did Greater Omaha Packing Company continuously
17 ship boxed beef from the L Street plant to
18 customers from 1996 to at least the end of 2014
19 in shipping boxes bearing a Greater Omaha and
20 steer head logo trademark substantially identical
21 to the trademark shown in Exhibit GOP-12?

22 A. Yes, to the end of 2015 as we do
23 today.

24 Q. Thank you. Mr. Davis, Plaintiff
25 Omaha Steaks International, Inc. in its notice of

1 opposition in this proceeding allege that if
2 Defendant Greater Omaha marketed goods of poor
3 quality, Plaintiff Omaha Steaks would be damaged.

4 To the best of your own personal knowledge,
5 have you ever observed that any of the beef
6 products which your company sells under any of
7 its three trademarks which are at issue in this
8 proceeding are of a poorer quality than the beef
9 products which are sold by Plaintiff Omaha
10 Steaks?

11 A. No, never.

12 Q. Based on your own personal knowledge,
13 has there ever been a recall by Defendant Greater
14 Omaha of any of its beef products?

15 A. We have never had a recall.

16 Q. Based on your own personal knowledge,
17 has there ever been a recall of any other

21 products were the cause of that recall?

22 A. Never.

24 has Plaintiff Omaha Steaks continuously purchased
25 beef products from Defendant Greater Omaha in

1 each and every year from 1973 until 2016?

7 A. Yes.

8 Q. Last Thursday I saw a large trailer
9 truck bearing the name Omaha Steaks on the side
10 of the trailer pulling up to your L Street plant.

11 MS. KANE: Are you testifying now?

12 Q. Was that for the purpose of Plaintiff
13 Omaha Steaks picking up a purchased order of
14 Defendant Greater Omaha's trademark beef
15 products?

16 A. Yes.

17 Q. Mr. Davis, I'm now going to show you
18 a two-page Internet printout marked
19 Exhibit GOP-68 which bears the date November 2,
20 2000. This document bears Bates numbers GOP-1008
21 and 1009. Exhibit GOP-68 contains an article
22 from the *Hartford Courant*, C-O-U-R-A-N-T,
23 newspaper which is the highest circulation
24 newspaper in Connecticut.

25 MS. KANE: You're testifying again.

1 Q. The title of this newspaper article
2 is "Omaha Steaks Recalls Ground Beef Products."
3 Are you familiar with Exhibit GOP-68?

4 A. Yes.

6 remember reading about the recall event described
7 in Exhibit GOP-68?

15 Q. Based on your own personal knowledge
16 since you became employed by Defendant Greater

20 beef products by Plaintiff Omaha Steaks?

13 Q. Mr. Davis, you've been an employee of
14 Greater Omaha Packing Company since 1973; isn't
15 that correct?

16 A. Yes.

17 Q. Based on your own personal knowledge,
18 have you or any of your company's employees ever
19 received a communication of any kind from anyone
20 indicating that any of your company's or
21 Plaintiff Omaha Steaks' customers or potential
22 customers ever thought that your company was
23 Plaintiff Omaha Steaks?

24 A. No, never.

25 Q. Based on your own personal knowledge,

1 have you or any of your company's employees ever

3 indicating that any of your company's or
4 Plaintiff Omaha Steaks customers or potential
5 customers ever thought that your company was
6 licensed by or was affiliated in any way with
7 Plaintiff Omaha Steaks?

8 A. No, never.

9 Q. Based on your own personal knowledge
10 gained from your communications with your
11 company's customers, please describe the
12 sophistication level of your company's customers
13 who have been purchasing your company's beef
14 products since 1973 under each and every one of
15 your company's trademarks including the three
16 trademarks at issue in this proceeding.

17 A. They are very sophisticated,
18 knowledgeable buyers of beef and the markets.
19 They understand the trade of beef. They
20 understand the values of beef. A load of beef
21 can range from \$80,000 to \$600,000. They make
22 decisions based on relevant facts. They're
23 well-thought-out decisions. They are -- they're
24 a sophisticated group of buyers.

25 Q. Would you say that your company's

1 customers make quick and impulsive purchases?

2 A. Never.

3 Q. Mr. Davis, you've been president of

12 A. Yes.

13 Q. Are you knowledgeable about your
14 company's annual sales of beef?

15 A. Yes.

16 Q. From 1992 to 2015 please describe
17 your company's annual sales of Greater Omaha

19 A. In 1992 Greater Omaha's annual sales
20 was over a hundred million. And in the year 2015
21 Greater Omaha's sales was over 1.7 billion.

22 Q. Do I take it that in every year in
23 between they were at least over a hundred
24 million?

25 A. Yes.

1 Q. Mr. Davis, do I understand your
2 testimony to be that your company's annual sales
3 of Greater Omaha branded beef products have gone
4 from being excess -- being in excess of a hundred
5 million dollars in 1992 to being in excess of
6 \$1.7 billion in 2015; is that correct?

7 A. Yes, that is correct.

8 Q. Are the dollar amounts that you have
9 just given based upon your own personal
10 knowledge? Are the dollar amounts that you have
11 just testified to based upon your own personal
12 knowledge?

13 A. Yes.

14 Q. I'm now turning to two registrations
15 which Plaintiff Omaha Steaks petitioned to
16 cancel. First I'm showing you Exhibit GOP-2
17 which is registration number 4006768 which issued
18 on August 2, 2011. Plaintiff Omaha Steaks
19 petitioned to cancel Exhibit GOP-2 on June 26,

22 A. Yes.

3 mark?

4 A. No.

5 Q. Based on your own personal knowledge,
6 did any person connected with Omaha Steaks ever
7 communicate with anyone connected with Defendant
8 Greater Omaha prior to June 26, 2014, to object
9 to your company's use or registration of that
10 Exhibit GOP-2 registered mark?

11 A. No, never.

12 Q. Based on your own personal knowledge,
13 have you or any person connected with Defendant
14 Greater Omaha ever received a communication or
15 information of any kind from anyone indicating
16 that Defendant Greater Omaha's use of its
17 Exhibit GOP-2 trademark has actually caused
18 customers or potential customers of either
19 Plaintiff Omaha Steaks or Defendant Greater Omaha
20 to become confused, mistaken, or deceived as to
21 the source or sponsorship of beef products?

22 A. No, never.

23 Q. Mr. Davis, because Plaintiff Omaha
24 Steaks never objected to your company's use or
25 registration of the Exhibit GOP-2 registered mark

1 which is the so-called ONA logo trademark, what
2 was your company's business reaction to this lack
3 of objection?

4 A. I continued to invest in the company
5 and my employees, in our sales, in expansion of
6 this company and promotion of our brands.

7 Q. And particularly your promotion of
8 the Exhibit GOP-2 brand?

9 A. Promotion of Omaha Natural Angus.

10 Q. Mr. Davis, I'm now showing you
11 Exhibit GOP-3 which is registration number
12 3998763 which issued on July 19, 2011. Plaintiff
13 Omaha Steaks petitioned to cancel Exhibit GOP-3
14 on June 26, 2014. Are you familiar with
15 Exhibit GOP-3 which is for the so-called 1881
16 Hereford logo trademark?

17 A. Yes, I am.

18 Q. Based on your own personal knowledge,
19 did any person connected with Plaintiff Omaha
20 Steaks ever communicate with you prior to
21 June 26, 2014, to object to your company's use or
22 registration of that Exhibit GOP-3 registered
23 mark?

24 A. No.

25 Q. Based on your own personal knowledge,

1 did any person connected with Plaintiff Omaha
2 Steaks ever communicate with anyone connected
3 with Defendant Greater Omaha prior to June 26,
4 2014, to object to your company's use or
5 registration of that Exhibit GOP-3 registered
6 mark?

7 A. No.

8 Q. Based on your own personal knowledge,
9 have you or any person connected with Defendant
10 Greater Omaha ever received a communication or
11 information of any kind from anyone indicating
12 that Defendant Greater Omaha's use of its
13 Exhibit GOP-3 trademark has actually caused
14 customers or potential customers of either
15 Plaintiff Omaha Steaks or Defendant Greater Omaha
16 to become confused, mistaken, or deceived as to
17 the source or sponsorship of beef products?

18 A. No, never.

19 Q. Mr. Davis, because Plaintiff Omaha
20 Steaks never objected to your company's use or
21 registration of the Exhibit GOP-3 registered mark
22 which is the so-called 1881 Hereford logo, what
23 was your company's business reaction to this lack
24 of objection?

25 A. We continued to invest in the brand,

1 we continued to invest in the plant, expanded the
2 plant. We continued to invest in our people. We
3 continued to invest in every aspect of our
4 business.

5 Q. And in particular in connection with
6 the Exhibit GOP-3 trademark?

7 A. Yes.

8 Q. Mr. Davis, I'm now turning to the one
9 trademark application which Plaintiff Omaha
10 Steaks opposed in this proceeding. I'm now
11 showing you Exhibit GOP-1 which is application
12 serial number 85897951 which was filed on
13 April 8, 2013. Plaintiff Omaha Steaks filed an
14 opposition to the registration of Exhibit GOP-1
15 on November 15, 2013. Are you familiar with
16 Exhibit GOP-1 for the so-called Greater Omaha and
17 steer head logo trademark?

18 A. Yes.

19 Q. Based on your own personal knowledge,
20 have you or any person connected with Defendant
21 Greater Omaha ever received a communication or
22 information of any kind from anyone indicating
23 that Defendant Greater Omaha's use of its
24 Exhibit GOP-1 trademark has actually caused
25 customers or potential customers of either

1 Plaintiff Omaha Steaks or Defendant Greater Omaha
2 to become confused, mistaken, or deceived as to
3 the source or sponsorship of beef products?

4 A. No, never.

5 MR. SAMUELS: Although I know it is
6 not necessary under the rules, I hereby offer
7 into evidence all of the marked exhibits which
8 the witness discussed today.

9 Mr. Davis, I have no further questions.
10 Thank you.

11 MS. KANE: We'd like to just meet
12 for a minute before I cross.

13 (A short recess was taken.)

14 CROSS-EXAMINATION

15 BY MS. KANE:

16 Q. Welcome back, Mr. Davis. I just have
17 a few follow-up questions. If you would, look at
18 what was marked as Exhibit 61. You testified
19 that you recognize that document?

20 A. Yes.

21 Q. And do I understand that you said it
22 was part of a flyer or brochure that you sent to
23 your clients or customers?

24 A. It was an advertising brochure.

25 Q. Do you know what year? It's not

1 dated, so I'm wondering if you recall.

2 A. I don't know the exact year.

3 Q. Are you still using the flyer? Is it
4 still in distribution?

5 A. I don't know if this page is, but we
6 still use the flyer.

7 Q. Does your flyer still show hanging
8 carcasses of beef?

9 A. I'm not certain these three pictures
10 are included in it.

11 Q. But the question is, do you know if
12 your flyer still includes photographs of hanging
13 beef?

14 A. I don't know if it still does.

15 Q. And then if you'd look at Exhibit 12.
16 You testified that this is a picture of a
17 cardboard box. Was this provided to the
18 manufacturer of the boxes?

19 A. It's a sketch of a cardboard box that
20 the manufacturer made.

21 Q. The manufacturer made the sketch?

22 A. Uh-huh.

23 Q. At your direction?

24 A. Yes.

25 Q. And to your knowledge were boxes

1 produced that appear substantially similar to the
2 picture appearing on Exhibit 12?

3 A. Yes.

4 Q. Did you catch the typo of Greater
5 Omaha Packaging Company at any time that you
6 recall?

7 A. No.

8 Q. And these boxes were used to carry or
9 contain your product of boxed beef; is that
10 correct?

11 A. This box did variety meats such as
12 number 1 tongues white, number 1 black tongues,
13 number 2 tongues, beef livers, small intestines.

14 Q. You're ruining my lunch.

15 A. And two other variety meats.

16 Q. So would each box that was delivered
17 from your plant look substantially similar to the
18 box appearing on page -- Exhibit 12 but with
19 perhaps a different description of the contents?

20 A. Similar, yes.

21 Q. You say "similar," what would be
22 different?

23 A. Well, this is a 30-pound box. Most
24 of our boxes that we put beef in are 60-pound
25 boxes. Maybe half and half, half 30 pounds, half

1 60 pounds.

2 Q. And each of the boxes appears with
3 the Greater Omaha trademark with the state of
4 Nebraska and the steer head in the panhandle?

5 A. Right. But they do say Greater Omaha
6 Packing, not Greater Omaha Packaging.

7 Q. Right. We don't know how many, if
8 any, went out with that; right?

9 A. I don't believe any of them did.

10 Q. All right. Is the -- how do you
11 refer to this mark, Mr. Davis? Is it the steer
12 head mark or something else?

13 A. Just call it Greater Omaha.

14 Q. And does this logo appear on any
15 product delivered from your plant other than
16 boxed beef?

17 MR. SAMUELS: Objection. Appear on
18 the product, you mean on the meat?

19 Q. Do you understand my question?

20 A. Well, it's not stamped on the meat.
21 It's on the box.

22 Q. And is it -- does it appear on --
23 well, it appears on flyers, correct, and your
24 advertising?

25 A. (No audible response.)

1 COURT REPORTER: Is that a yes?

2 A. Yes.

3 Q. Does Greater Omaha Packing, as we sit
4 here today, ship from this plant anything but
5 boxed beef?

6 A. We ship combos.

7 Q. And what are combos?

8 A. They're large sometimes fiberglass or
9 plastic containers. They hold about 2,000 pounds
10 of product. Some of them are made out of
11 cardboard.

12 Q. And they bear the Greater Omaha mark?

13 A. The plastic ones do not. I'm not
14 certain about the cardboard ones. They may or
15 may not.

16 Q. When Mr. Fili testified the other
17 day, he told me about a 10,000-pound minimum you
18 have for sales. Are you familiar with that?

19 A. I'm not certain what the familiar --
20 or the minimum is right now.

21 Q. Would anyone have better knowledge of
22 that than Mr. Fili?

23 A. No.

24 Q. You testified that Greater Omaha
25 Packing has never had to issue a recall; is that

1 correct?

2 A. That's correct.

3 Q. Were you sued by a -- was Greater
4 Omaha Packing sued by a company known as Cargill
5 alleging that you had provided Cargill with meat
6 tainted with E. coli?

7 A. Yes.

8 Q. And what was the outcome of that
9 lawsuit?

10 A. It's still pending.

11 Q. Was there a verdict?

12 A. There was a -- there was a verdict.

13 Q. Of -- was it approximately 9

PACKING COMPANY, INC.

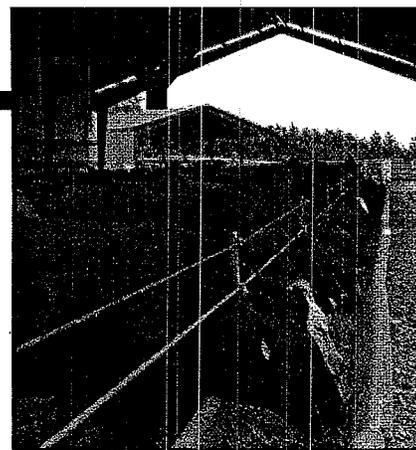

HISTORY

History links Greater Omaha to the proud packing house tradition of South Omaha. Since 1920, the Omaha Stockyards and the surrounding Nebraska feedlots have supplied us with the world's finest grain fed cattle. Through three generations of family ownership, the name Greater Omaha has become synonymous with quality. Our reputation as a premier supplier of beef has been earned by our continuing commitment to service and integrity. The finest restaurants, distributors, and grocers in the United States and around the world count on Greater Omaha to deliver the best.

We've come a long way since Greater Omaha Packing was opened in 1920. Our new fabrication facility opened in the spring of 1996. A new slaughter plant will be completed in 1998. These new plants employ the latest technologies available in the industry to ensure the safest and most wholesome beef available. From refrigeration and warehousing, to processing and packaging, Greater Omaha has the latest and best means to provide you with an outstanding boxed beef product.

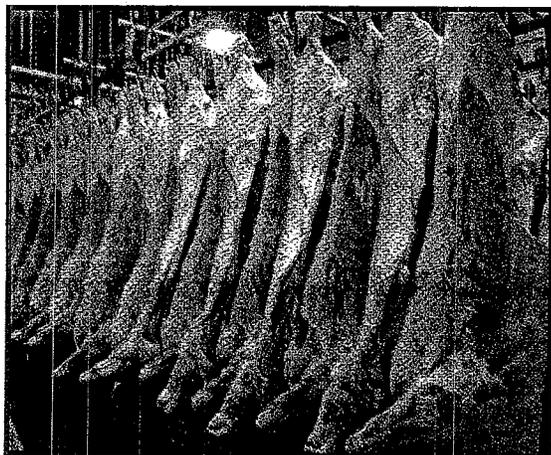

Quality cattle are essential for an outstanding finished product. We begin our production process with the finest grain fed cattle available in Nebraska and Iowa. Our production capacity is currently 2,000 cattle per day. Customers from around the world know that the corn belt of the Midwestern United States produces livestock whose quality cannot be matched anywhere. Based in Omaha, we are centrally located in the middle of the largest and best livestock producing area in the world.

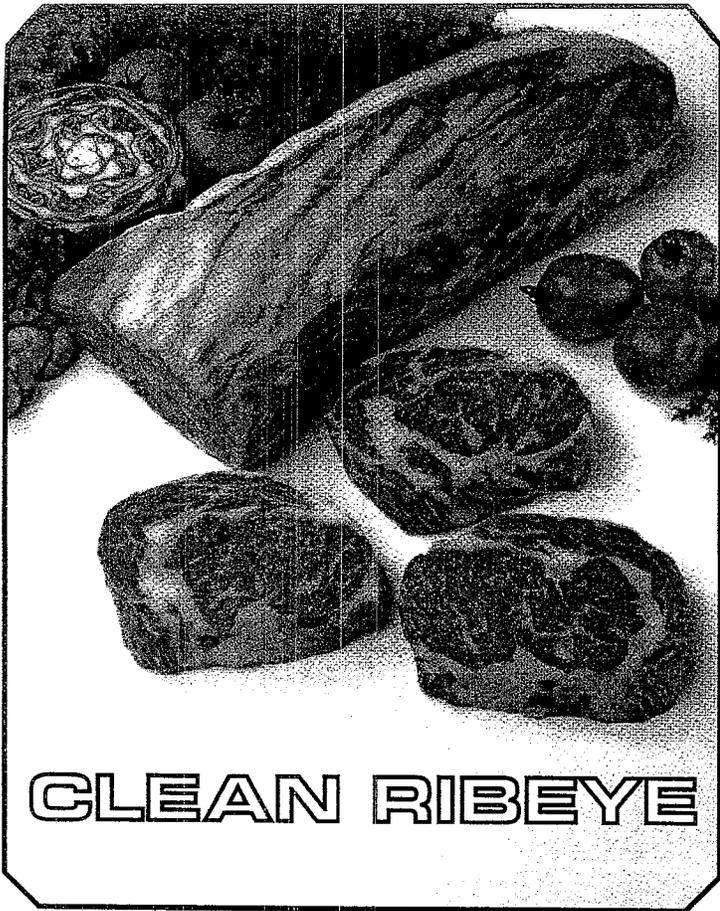

Our cattle buyers tap this livestock mother lode at local auctions and area feedlots. Our long standing relationships with area cattle feeders assures us of ready access to the type of animals which result in the high quality boxed beef products our customers have come to expect.

TECHNOLOGY

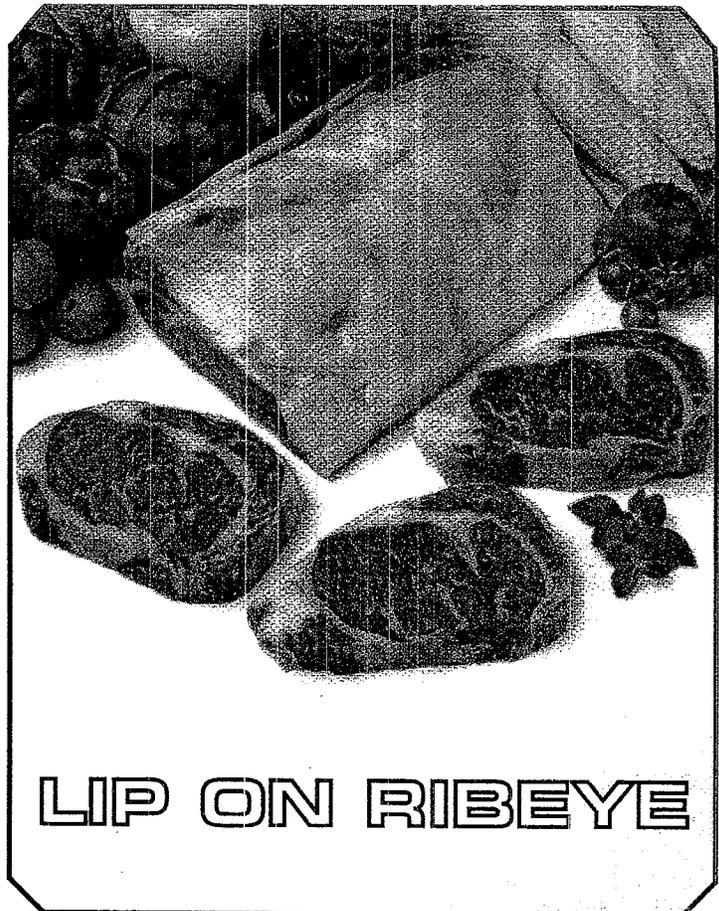

Greater Omaha is on the leading edge of industry advancements in technology. We were the first plant in the U.S. to use steam vacuum pasteurization at our slaughter plant. We were one of the first beef plants in the country to operate under SSOP and HACCP guidelines. Our new facilities allow us to chill carcasses a minimum of 48 hours prior to fabrication. Carcasses are moved by a mechanized transfer system which eliminates the need for human contact to "lug" carcasses. These advancements translate to longer shelf life and safer products for our customers.

U.S.D.A. graded carcasses are logged into our computer system according to grade, yield, weight, and feeder. This information allows us to identify which feeders consistently deliver us the highest quality and best yielding cattle. This data also allows us to sort carcasses by weight for sizing product to customer requirements.

WORKMANSHIP

Fabrication takes place in our new 30,000 sq. ft., sanitary production room. Our butchers are trained to cut to exact product specifications. Constant supervision is provided by our Quality Control team. Training for new employees takes place in our separate training room designed specifically to provide space for meat cutters to be trained in a "live" environment, without learning on product that will show up at the customer's warehouse.

Flexibility lets

us adjust production at a moments notice to fill your order. Flexibility also allows us to produce product to virtually every specification available in the industry. As our customers have gravitated to more closely trimmed product, closely trimmed product has become our mainstay. Every employee in our plant is committed to our company philosophy of Team Quality Control, so you can be assured of receiving the type of product you will be proud to sell.

Packaging is one of the most crucial components in assuring that product arrives to you in the finest condition. We run five of CRYOVAC™'s most advanced packaging machines and use only CRYOVAC™ grade-stamped bags to provide the best package available.

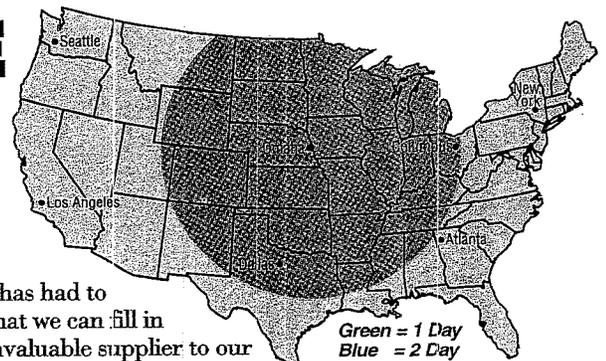

These high standards mean you get a superior product and more importantly, one with dramatically increased shelf life. Box materials and equipment are held to the same high quality standards. We have spared no expense to provide a box which will stand up to the rigors of handling and shipping at the various levels of the distribution chain. Greater Omaha promises to deliver the highest quality beef in the country, in a package that you will be proud to ship.

Service to our customers would not be complete without the means to warehouse and deliver product. A large part of our new fabrication plant is a 60,000 sq. ft. refrigerated warehouse. Our forklifts are equipped with a computer terminal that the operators use to log in and out pallets of product. This gives us exact inventory quantities and locations at all times, allowing us to eliminate shipping shortages. Highly efficient refrigeration equipment maintains a constant 30° temperature in this warehouse.

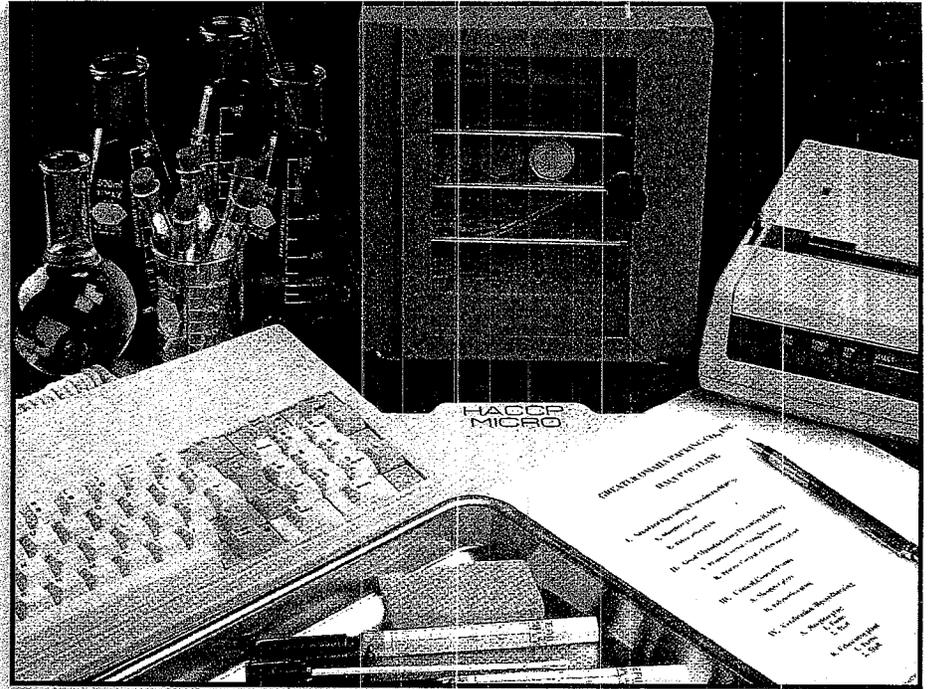

SERVICE

To compete in this industry, Greater Omaha has had to identify niches that we can fill in order to be an invaluable supplier to our customers. High quality grain fed cattle, the ability to cut to our customers specifications, and flexibility in production scheduling are important services that our customers require. Another key service we provide is our ability to quick ship product for next day or second day delivery. Due to our central location and proximity to major interstates, we are able to provide next day delivery to the Midwest and second day delivery to the East and West coasts. Our capacity for timely delivery on short notice, makes us an indispensable supplier to some of the nation's largest distributors and retailers. Greater Omaha has become legendary throughout the industry for our ability to deliver.

FOOD SAFETY

Technology plays an ever increasing role in food safety and wholesomeness. Greater Omaha prides itself on being in the forefront of the industry in testing for and eliminating bacteria and pathogens. Swab tests are collected throughout every day of production. Carcasses, primal cuts, and equipment are all tested. Samples are analyzed at an independent laboratory to ensure unbiased results. Steam vacuum pasteurization, 48 hour chill, clean, new production facilities, micro biological testing, state of the industry packaging, and efficient refrigeration, storage and handling of product, all contribute to the safest, cleanest beef you can buy.

MISSION STATEMENT

Greater Omaha will produce the finest beef products in a manner that is uncompromising in food safety. We will respect our customers and suppliers by treating them fairly and honoring every commitment that we make. We will provide a proper work environment for everyone at Greater Omaha and have an unyielding focus on their health, safety and the betterment of themselves and their families.

FROM THE PRESIDENT

Many thanks for your interest in Greater Omaha Packing. I hope we have conveyed to you the sense of tradition and pride that exists at our company. Three generations of family have adhered to the philosophy of providing the highest quality product to our customers. That philosophy served our carcass and swinging beef customers from 1920 through the 1980's, when Greater Omaha earned its reputation as a premium supplier of the Midwest's finest grain fed beef.

The 1980s and 1990s brought many changes to the beef industry. These changes required that we evolve from a beef carcass producer to a boxed beef fabricator. The challenges of this transformation were formidable, but we met them with a commitment of resources and willpower. These commitments assure our valued customers that the Greater Omaha which they relied upon in the past, will continue to be their partner both today, and in the future.

Our company, founded on the principals of providing quality and service, has prospered for three quarters of a century. Our foundation will remain firmly rooted in these areas. While I cannot predict what challenges the future will bring to our industry, I can promise that Greater Omaha will be here with you to meet those hurdles as they arise.

Once again, thank you for your interest in Greater Omaha. As you come to know us better, I guarantee you will find us to be a company committed to excellence and with every reason to be proud of our past and confident of our future.

Best regards,

Henry Davis

Omaha World-Herald

From Wikipedia, the free encyclopedia

The *Omaha World-Herald* is the primary daily newspaper of Nebraska and portions of southwest Iowa. It is based in Omaha, Nebraska. For decades it circulated daily throughout Nebraska and in parts of Kansas, South Dakota, Missouri, Colorado and Wyoming. In 2008, distribution was reduced to the eastern third of Nebraska and western Iowa.^[2]

The *World-Herald* was the largest employee-owned newspaper in the United States.^[3] On November 30, 2011, Warren Buffett's Berkshire Hathaway announced plans to buy the newspaper.

It is the only remaining major metropolitan newspaper in the United States to publish both morning and afternoon editions.^[3] The newspaper publishes four daily editions, with three morning editions (regional; Lincoln, Neb.; and metropolitan) and one afternoon edition (metropolitan). Its market area spans two time zones and is more than 500 miles across.^{[2][3]}

The *World-Herald* had for many years been the newspaper with the highest penetration rate – the percentage of people who subscribe to the publication within the paper's home circulation area – in the United States.^[2]

The Omaha World-Herald Company also operates the website Omaha.com (<http://www.omaha.com>), the region's most popular website by all measures of traffic. The site has more than 300,000 registered users and more than 14 million page views monthly.^[4] Its website and newspaper combined reach 85.3 percent of the Omaha market, the second-highest percentage of people within a home circulation area compared with other major metropolitan newspapers in the United States.^[4]

The company dubs its downtown Omaha headquarters the Freedom Center. The John Gottschalk Freedom Center also houses its three printing presses, which can each print 75,000 papers per hour, and are considered to

The newspaper has bureaus in Lincoln, Neb., and Washington, D.C. Throughout the region, *The World-Herald* also owns smaller daily and weekly newspapers, which contribute to its World-Herald News Service.

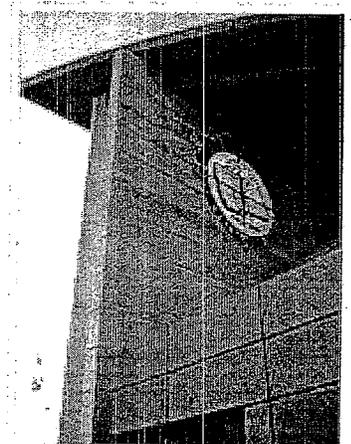

Through the World Publishing Co., the former name of the newspaper's parent company, *The World-Herald* owned Omaha television station KETV from its founding in 1957. (The station was dubbed "Omaha World-Herald" television.) Because of a change in Federal Communications Commission law, *The World-Herald* had to divest the station in 1976. It sold the station to the now-defunct Pulitzer Broadcasting Co., of St. Louis, which merged with the Hearst Corporation in 1998 and is the station's current owner.

Pulitzer Prizes

The World-Herald has won three Pulitzer Prizes, including the esteemed Pulitzer Prize for Public Service, awarded in 1943.^[6]

- 1944 Pulitzer Prize for Photography - Earle L. Bunker for his photo entitled, "Homecoming."
- 1943 Pulitzer Prize for Public Service - For its initiative and originality in planning a statewide campaign for the collection of scrap metal for the war effort. The Nebraska plan was adopted on a national scale by the daily newspapers, resulting in a united effort which succeeded in supplying our war industries with necessary scrap material.
- 1920 Pulitzer Prize for Editorial Writing - Harvey E. Newbranch for an editorial entitled "Law and

the Jungle," which decried the lynching of a black man on the lawn of the Douglas County Courthouse. Newbranch was the first editorial writer to win a Pulitzer under his own name—as opposed to awards for unsigned staff editorials—in opinion writing.^[7]

History

The newspaper was founded in 1885 by Gilbert M. Hitchcock as the *Omaha Evening World*. It was absorbed by George L. Miller's *Omaha Herald* in 1889. The paper was established as an independent political voice but quickly moved to the Democratic Party column. William Jennings Bryan was its editor in 1894-96. Hitchcock served three terms in the U.S. House of Representatives and, starting in 1911, two Senate terms. It was a more objective voice than the *Omaha Bee*, which tended to sensationalize news to drum up sales.

His son-in-law, Henry Doorly, took control of the paper after Hitchcock's death in 1934. The editorial page began leaning Republican after Hitchcock's death. Over his lifetime, Doorly served 58 years at the paper.

In 1963, the World Publishing Company, owned solely by heirs of the Hitchcock/Doorly families, sold *The World-Herald* to local businessman Peter Kiewit, a construction magnate whose namesake company is a member of the Fortune 500. When he died, Kiewit left provisions to ensure that the paper would remain locally owned, with a large part of the plan securing employee ownership.

On November 30, 2011, the *Omaha World-Herald* announced that Berkshire Hathaway will buy the newspaper pending a vote by its shareholders which is made up of active employees, retired employees and the Peter Kiewit Foundation.^[8]

Company history

Polk's *Illinois State Gazetteer*, 1880

R. L. Polk & Company was founded by Ralph Lane Polk in 1870 in Detroit, MI as a publisher of business directories. In 1872, the company first published a City Directory, for Evansville, Indiana, plus a listing of post offices in nine states. Additional directories followed in the ensuing years as the business grew.^[3] claiming 1000 directories by 1960.^[4] Affiliates included the Polk-Husted Directory Co. of Oakland, California.^[5] In addition to city directories, the company published bank directories.

In 1921, a conversation between Ralph Lane Polk II and Alfred P. Sloan (who later became president of General Motors) helped fuel R. L. Polk & Company's entry into the automotive industry. During the conversation, Sloan asked Polk to impartially tabulate and publish statistical information on cars and trucks in operation. R.L. Polk & Company launched its motor vehicle statistical operations in 1922, when the first car registration reports were published.^[6] In 1922, R.L. Polk & Co. published its first Passenger Car Registration Report, covering 58 makes and accounting for 9.2 million passenger automobiles on America's highways.

From 1951 to 1958, the company pioneered the use of electronic punch card tabulating equipment. In 1956, Polk's reporting services included monthly statistics on boats, business aircraft, motorcycles, commercial trailers, and recreational vehicles. In 1976, the National Vehicle Population Profile (NVPP) was introduced.

1990s

In 1993, Polk combined its Canadian activities with Blackburn Marketing Services to form Blackburn / Polk Marketing Services Inc. (BPMSI). Polk also acquires a 35% interest in CARFAX from Blackburn Marketing Services. In 1995, Polk enters an alliance with Marketing Systems GmbH and acquires a substantial minority interest in The Ultimate Perspective (T.U.P).

In 1996, Polk completes acquisition of the Blackburn / Polk operations and renames it Polk Canada Marketing Services Inc. (PCMSI). This acquisition unified and strengthened Polk's North American operations and further enhanced the company's strategy to be a global information services provider. Polk also announces its first-ever Automotive Loyalty Award winners.

In 1997, Polk also acquires the MSS division of Automatic Data Processing's European Operations.

Looking into the future, in 1999, Polk completes acquisition of CARFAX and sells its Advertising Unlimited, Inc. to Norwood Promotional Products.

The Polk Company announced on August 2, 1999 that it had completed acquisition of Carfax. Polk had previously owned 35 percent of Carfax, in partnership with the Blackburn Group, Inc., of London, Ontario, Canada, and has now acquired the remaining 65 percent.^[15] Carfax compiles vehicle histories from various sources, with about 75 percent of the information coming from Polk data. Using the vehicle identification number (VIN), each history provides potential buyers with all available facts about a used car being considered for purchase. This may include original use of the vehicle odometer records, number of owners, and other items that might affect a purchase decision.^[15]

INTRODUCTION

R. L. POLK & CO., publishers of the Omaha City Directory, as well as more than 700 other county, city, state and national directories, present to subscribers and the general public, this, the 1928 edition of the Omaha Directory.

Confidence in the growth of Omaha, in its wealth, industry and population, as well as in the advancement of its municipal and social activities, will be created as sections of this directory are consulted, for, truly, the directory is a mirror reflecting Omaha to the world.

The enviable place occupied by R. L. POLK & CO.'S directories in offices, stores, libraries and homes throughout our country, causes the publishers to forecast the belief that the Omaha Directory will fulfill its mission as a source of authentic information of any and every kind pertaining to our city. With an unrivaled organization, having the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user.

Population

The estimated population of Omaha is 242,280, based on the number of individual names in the alphabetical section of the directory, with due allowance for children and for women whose names are not listed separately from those of their husbands. Territory immediately adjacent, which is part of the city, as far as business and social life are concerned, is included in the directory.

Five Major Departments

The several essential departments are arranged in the following order:—

THE MISCELLANEOUS DEPARTMENT, pages 13 to 20, presents a variety of information, such as city government, county officials, courts, state and federal officials, churches, post office, schools, fraternal and secret societies; also, a statistical summary, historical sketch, industrial, retail and wholesale surveys, etc.

THE BUYERS' GUIDE, pages 21 to 64, printed on tinted paper, contains the advertisements of leading manufacturing, business and professional interests of Omaha. These pages will be found particularly interesting and instructive to the substantial elements of the city. The advertisements have been carefully grouped by departments and are indexed under headings descriptive of the business represented. This is reference advertising at its best and, as such, merits a survey by all buyers keen to prime themselves on sources of supply. The city's activities, in many interesting phases, are authentically pictured to reveal what it has in its show window. In an ambitious and progressive community like Omaha, the necessity of having this kind of information immediately available, is very great and, frequently, pressing. General appreciation of this fact is evidenced by the liberal patronage the city directory enjoys in the many fields which it serves.

THE ALPHABETICAL LIST OF NAMES of residents, business firms and corporations is included in pages 65 to 1004.

THE STREET AND AVENUE GUIDE AND DIRECTORY OF HOUSEHOLDERS covers pages 1005 to 1319. In this section the names of the streets and avenues are arranged in alphabetical order; the residences and business houses are arranged numerically under the name of each street and avenue, and the names of householders and business concerns are placed opposite the numbers. A new feature of this section is the indication of intersecting streets.

A New and Unusual Savings Plan
 Pays you when sick or hurt and you never have to pay it
 back—what you collect is not deducted from your cash
 and is yours at Age 60 or 65; AND—it pays your family

Omaha Steaks Recalls Ground Beef Products

November 02, 2000 | By From Staff Reports

Omaha Steaks has recalled five lots of its ground beef products bearing certain production codes because they may be contaminated with potentially deadly E. coli bacteria, state officials said Wednesday.

State Consumer Protection Commissioner James Fleming said the company is recalling 22,000 pounds of ground beef produced July 18 after an illness was reported and a sample from that production date was analyzed.

The strain of E. coli bacteria can produce serious – even fatal – illness, especially in the elderly, the very young and people with compromised immune systems, Fleming said.

All recalled ground beef products bear a production code beginning with the digits 07180 and ending in 21, 22 or 25. Recalled items include:

No. 1249: six 4-ounce ground beef burgers

No. 658: 12 4-ounce ground beef burgers
