Mailed: December 31, 2014

Opposition No. 91213605

Spec Research, Inc.

v.

Applied Micro Circuits Corporation

By the Trademark Trial and Appeal Board:

On December 19, 2014, opposer filed a withdrawal of the opposition with prejudice.

On December 22, 2014, applicant filed a withdrawal of its August 27, 2014 motion to amend the involved application. The motion is granted.

In view thereof, the opposition is dismissed with prejudice and the application will proceed to registration containing the original goods/services.
