v.

International Marketing
Systems, LTD

Monique Tyson, Paralegal Specialist:

Opposer's motion (filed December 2, 2013) to suspend proceedings pending the disposition of a civil action between the parties is noted. However, opposer copy of the pleadings of the civil action is not legible with its motion as required, and the Board is therefore unable to ascertain whether the final determination of the civil action will have a bearing this proceeding. *See SCOA Industires Inc. v. Kennedy & Cohen, Inc., 188 USPQ 411 (TTAB 1975).*

Accordingly, opposer is allowed until **January 26, 2014** to submit a copy of the civil complaint failing which, the motion to suspend will be given no further consideration
