Opposition No. 91213887

The Coca-Cola Company

v.

Mejeriforeningen Danish Dairy Board

**By the Trademark Trial and Appeal Board:**

**INTERNATIONAL REGISTRATION CANCELLED**

Application Serial No. 79125401, the subject of this opposition proceeding, is a request for extension of protection to the United States, filed pursuant to Trademark Act § 66(a), 15 U.S.C. § 1141f(a).

On April 17, 2014, the International Bureau (“IB”) transmitted to the USPTO a “NOTIFICATION OF DEATH OF INTERNATIONAL REGISTRATION”, Registration No. 1148126, upon which the involved extension of protection is based. The IB pointed out in the notification that the reason for death was “Renunciation” and that the expiration date was March 31, 2014.

Pursuant to Trademark Rule 7.30,

When the International Bureau notifies the Office of the cancellation or expiration of an international registration, in whole or in part, the Office shall cancel, in whole or in part, the corresponding

pending or registered extension of protection to the United States. The date of cancellation of an extension of protection or relevant part shall be the expiration of the corresponding international registration or relevant part.

In view thereof, the extension of protection is hereby cancelled and is considered cancelled as of March 31, 2014, and application Serial No. 79125401 stands abandoned.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
