Opposition No. 91213949

Cima Telecom, Inc.

v.

Auris, Inc.

Amy Matelski, Paralegal Specialist:

Answer was due in this case on January 20, 2014. Applicant did not file an answer by such date nor did it file a timely motion to further extend its time to answer. In view thereof, the Board issued a notice of default to applicant on February 4, 2014 requiring applicant to show cause why judgment should not be entered against applicant. On February 12, 2014, applicant filed what appears to be a motion to set aside the Board's default notice and leave to file its answer. On February 17, 2014, applicant filed its answer to the notice of opposition. The Board notes that applicant's filing of its motion to set aside the notice of default and leave to file its answer only contains the certificate of service and not the actual motion.

In view thereof, proceedings are hereby **suspended** and applicant is allowed until **THIRTY DAYS** from the mailing date of this order to file a complete copy of its motion to set aside the Board's default notice and leave to file its answer. Opposer is also allowed **THIRTY DAYS** from the mailing date of this order in which to file a response to applicant's motion to set aside the Board's default notice and leave to file its answer, failing which applicant's motion will be granted and the Board's show cause order will be set aside.
