TO THE COMMISSIONER OF TRADEMARKS

CONSENTED POST PUBLICATION AMENDMENT TO IDENTIFICATION OF SERVICES

Applicant requests that the United States Patent and Trademark Office ("USPTO") amend the identification of services for International Class 41 in the above-referenced application to read as follows: Entertainment services, namely, providing a web site featuring non-downloadable film clips, photographs, and videos in the field of horror, comedy and adult-themed video and films; distribution of digital video and film, namely DVDs.

This amendment does not require republication under TMEP § 1505.02(a). This amendment results from an agreement made between and by Applicant and Autonomy LLC, who previously filed a Notice of Opposition (Opposition No. 91213997) against this application in International Class 41 only. Through such agreement, the parties agreed, *inter alia*, to enter this amendment to Applicant's identification of services in its published application. The undersigned counsel represents that this amendment is made with the consent of opposer Autonomy, LLC and

its counsel.
