v.

Monique Tyson, Paralegal Specialist:

On March 20, 2014, applicant filed a proposed amendment to its application Serial No. 85819941 without opposer's consent.

The amendment fails to include proof of service on opposer as required by Trademark Rule 2.119. In order to expedite this matter, copies are forwarded herewith to opposer's counsel. Notwithstanding, strict compliance with Trademark Rule 2.119 is required by applicant in all future papers filed with the Board.

In accordance with the provisions thereof, an application which is the subject of a Board *inter partes* proceeding may not be amended in substance, except with the consent of the other party or parties and the approval of the Board, or upon motion. See 37 CFR §2.133(a)

In view of the foregoing, opposer is allowed until **fifteen days** to file its consent to applicant's proposed

amendment, failing which the Board may defer consideration of applicant's proposed amendment until determination of this proceeding at final decision or upon summary judgment.

Proceedings herein are suspended.¹

¹ Opposer's motion to withdraw opposition filed April 2, 2014 will receive consideration in due course. The Board regrets the delay in this matter.
