v.

Sylvia Greif¹

By the Trademark Trial and Appeal Board:

On July 23, 2014, applicant filed an abandonment of its application Serial No. 79117572.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is entered against applicant, the opposition is sustained with respect to International classes 35, 38, 42 and 45 only and registration to applicant is refused.

¹ International classes 16 and 41 will move forward for further processing, since these classes were not opposed at the time this opposition commenced.
