v.

LeMar Xavier Lewis

Nicole Thier, Paralegal Specialist:

On September 28, 2015, Applicant filed a response to the Board's order (also issued September 28, 2015), informing the Board of Applicant's new mailing address where service would be accepted.

In view thereof, the Board's August 14, 2015 order suspending proceedings pending the disposition of Opposer's combined motion to compel and motion for sanctions is re-mailed to the Applicant at the new address of record.

Accordingly, Applicant is allowed 20-days from the mailing date of this order in which to file a response to the Opposer's combined motion to compel and motion for sanctions (filed August 7, 2015).

Neither the filing of the motion to compel nor this suspension order tolls the time for parties to make required discovery disclosures, or to respond to any outstanding discovery requests which had been served prior to the filing of the motion to compel, nor does it excuse a party's appearance at any discovery

deposition which had been duly noticed prior to the filing of the motion to compel. When the motion to compel is filed after discovery has closed, but prior to the opening of the first testimony period, the time period for making pretrial disclosures is suspended. *See* Trademark Rule 2.120(e)(1); TBMP § 523.01.

The motion to compel will be decided in due course.
