SECOND NOTICE OF RETURNED SERVICE

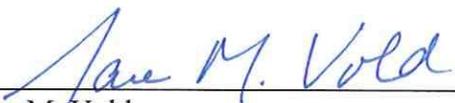

A Notice of Opposition (“Opposition”) was filed in the above referenced proceeding by LeMans Corporation (“Opposer”) on January 22, 2014. The Opposition included an indication of service via email and First Class Mail at the correspondent address of record with the U.S. Patent and Trademark Office (“the USPTO”), as detailed in CFR §2.101(b) and 2.119. As the Board was previously informed, while the address included in the Certificate of Service was correct, unfortunately, due to inadvertent clerical error, the street number listed in the address on the mailing label was incorrect. Accordingly, within 10 (ten) days of receiving a “Return to Sender” notification from the U.S. Post Office with the indication “Attempted – Not Known”, Opposer re-served the Opposition on the Applicant to corrected address as reflected in the USPTO records. Notification of Reservice was provided to the Board on February 7, 2014.

On February 19, 2014, Opposer received a Second “Return to Sender” notification from the U.S. Post Office with the indication “Unable to Forward.” A copy of the envelope with the U.S. Post Office Notification is attached hereto as Exhibit A.

As the Opposition has been sent to the correspondent address of record reflected in the USPTO records for Applicant, Opposer is hereby informing the USPTO of the delivery failure in accordance with 37 CFR §2.101(b). Applicant is unaware of any other verifiable address for Applicant.

Respectfully submitted,

Date: February 24, 2014
