Opposition No. 91214867

Horizon Hobby, Inc.

v.

Premier Accessory Group, LLC

ELIZABETH J. WINTER, INTERLOCUTORY ATTORNEY:

On November 30, 2015, Applicant filed a proposed amendment to its involved applications Serial Nos. 85607883 and 85602658, with Opposer's written consent.

By the proposed amendment, Applicant seeks to amend the identifications of goods in each application, as follows:¹

From: "Battery chargers; cell phone battery chargers; earbuds; headphones,"

To: "Battery chargers, **excluding battery chargers for use with remotely controlled vehicles and excluding battery chargers for use with unmanned vehicle systems comprising unmanned vehicles, transmitters, receivers, serial interfaces, servomotor interfaces, and ground side components, namely transmitters, receivers, and display screens**; Cases for mobile phones; Cell phone battery chargers; Ear buds; Headphones."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

¹ The proposed additional wording is shown in bold type font.

If the amendment resolves this proceeding, Opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition will go forward on the application as amended. See Trademark Rule 2.106(c).

If no response is filed, proceedings will be resumed and dates reset, as appropriate.

Proceedings are otherwise suspended.
