NOTICE OF OPPOSITION

Opposer Facebook, Inc. ("Facebook"), a Delaware corporation having its principal place of business at 1601 Willow Rd., Menlo Park, California 94025, believes that it will be damaged by the issuance of a registration for the mark FAITHBOOK TODAY (the "FAITHBOOK TODAY Mark" or "Applicants' Mark"), as applied for in Application Serial No. 85/845,621 filed on February 10, 2013 by Applicants Lenise L. Gibson and Will T. Gibson Jr. ("Applicants"), individuals having a mailing address at 696 San Ramon Valley, Suite 305, Danville, California 94526.

As grounds for opposition, Facebook alleges that:

1. Since its online networking service was launched in February 2004, Facebook has continuously used the mark FACEBOOK in interstate commerce in the United States in connection with its goods and services.

2. Facebook owns multiple U.S. registrations for the mark FACEBOOK. These

registrations cover a wide variety of goods and services, including, but not limited to:

- Advertising and information distribution services, namely, providing classified advertising space via the global computer network; promoting the goods and services of others over the Internet; providing on-line computer databases and on-line searchable databases in the field of classifieds;
- Creating an on-line community for registered users to participate in discussion, get feedback from their peers, form virtual communities, and engage in social networking;
- Providing online chat rooms and electronic bulletin boards for registered users for transmission of messages concerning collegiate life, general interest, classifieds, virtual community, social networking, photo sharing, and transmission of photographic images; provision of on-line forums for the transmission of photographic images; provision of on-line forums for communications on topics of general interest;
- Online chat functions for transmission of messages, photographs, videos, and other user-defined content; and
- Audio and video broadcasting services over the Internet or other communications network for uploading, posting, showing, displaying, tagging and sharing audio, and video clips.

3. True and correct copies of registrations for the FACEBOOK mark are attached hereto as Exhibit A, and are incorporated by reference as though fully set forth herein.

4. In addition, Facebook owns common law rights in the FACEBOOK mark and marks that incorporate FACEBOOK in connection with various other goods and services, including as identified in pending U.S. trademark applications. True and correct copies of the U.S. Patent and Trademark Office online status pages for Facebook's pending trademark applications for its FACEBOOK and FACEBOOK-formative marks are attached hereto as Exhibit B, and are incorporated by reference as though fully set forth herein. All of Facebook's marks that consist of or incorporate the term FACEBOOK are referred to herein as the "FACEBOOK Marks."

5. The FACEBOOK mark is highly distinctive with regard to advertising and online

networking goods and services. Moreover, through Facebook's widespread use of the FACEBOOK Marks, extensive and continuous media coverage, the high degree of consumer recognition of the FACEBOOK Marks, Facebook's enormous and loyal user base, its numerous trademark registrations and pending applications, and other factors, the FACEBOOK Marks have become famous within the meaning of Section 43(c) of the United States Trademark Act, 15 U.S.C. § 1125(c).

6. On February 10, 2013, Applicants filed an intent-to-use application to register the FAITHBOOK TODAY Mark for: "Advertising and business services, namely, securing airtime on all forms of media communications stations, systems, networks, and services for the purpose of promoting the goods and services of others; Advertising and marketing services provided by means of indirect methods of marketing communications, namely, social media, search engine marketing, inquiry marketing, internet marketing, mobile marketing, blogging and other forms of passive, sharable or viral communications channels; Advertising services, namely, promoting and marketing the goods and services of others in the field of social media via print and electronic media; Advertising, marketing and promotional services related to all industries for the purpose of facilitating networking and socializing opportunities for business purposes; Business consulting service that provides transformational strategies to companies wishing to move towards sustainability and socially responsible business practices, provided mainly to the consumer products industry; Media buying advice, namely, advising the client how much media time, and at what times the client should be purchasing advertising; Media monitoring services, namely, monitoring print media, television, radio, and other media for customer-specified topics, gathering relevant content on those topics, and providing documentation and analysis of that media content to others for business purposes; Media planning, namely, advising the client on

the correct times and stations to advertise based on media analysis of the market for that media; Media production location scouting services for advertising purposes. Online media monitoring services using computer software to automatically monitor internet websites and online publications for customer-specified topics and to capture relevant content on those topics, and providing documentation and analysis of that online content to others for business purposes; Online service for connecting social network users with retailers for the purpose of facilitating discounted purchases; Organisation of promotions using audiovisual media; Preparation and realization of media and advertising plans and concepts; Promoting public awareness in the field of social welfare; Promotional marketing services using audiovisual media; Providing a website for users with specific informed recommendations of specific consumer products and services validated by the users' inputted preferences and social network; Providing advertising, marketing and promotional services, namely, development of advertising campaigns for social media; Providing business information in the field of social media; Providing consulting services in the field of facilitating the planning, buying, and selling of media; Providing marketing consulting in the field of social media; Providing sound and music listening equipment in retail stores for customers to preview compact discs, tapes, DVD's, DVR's, and other media prior to purchase; Rental of advertising time on communication media; Social media strategy and marketing consultancy focusing on helping clients create and extend their product and brand strategies by building virally engaging marketing solutions; Subscription to an information media package” in International Class 35.

7. Applicants' Mark was published in the *Official Gazette* on October 15, 2013.

**FIRST GROUND FOR OPPOSITION:
LIKELIHOOD OF CONFUSION**

8. Facebook incorporates by reference Paragraphs 1 through 7, inclusive, as if fully set forth herein.

9. Facebook began using its FACEBOOK mark at least as early as February 2004, and filed applications resulting in federal registrations well prior to Applicants' application to register the FAITHBOOK TODAY Mark or, on information and belief, any actual use by Applicants of Applicants' Mark.

10. The FACEBOOK Marks are strong and famous.

11. The FAITHBOOK TODAY Mark is similar to the FACEBOOK Marks in sight, sound, and commercial impression.

12. Applicants' services offered, or to be offered, under the FAITHBOOK TODAY Mark are the same as and/or highly related to Facebook's goods and services.

13. Applicants' services are, and/or will be, offered through the same channel of trade as Facebook's goods and services.

14. Facebook is informed and believes, and based thereon alleges, that Applicants' Mark was adopted with knowledge of, and the intent to call to mind, create a likelihood of confusion with regard to, and/or trade off the fame of Facebook and the FACEBOOK Marks.

15. Applicants' Mark suggests an affiliation or connection between Applicants and Facebook, where none exists.

16. Facebook is not affiliated or connected with Applicants or their services; nor has Facebook endorsed or sponsored Applicants or their services.

17. Facebook has no control over the nature and quality of the services that are, and/or will be, offered under the FAITHBOOK TODAY Mark, and the value of Facebook's

FACEBOOK Marks would be jeopardized by the registration of Applicants' Mark. Because of the likelihood of confusion between the parties' marks, any defects, improprieties, or faults found with Applicants' services marketed under the FAITHBOOK TODAY Mark would negatively reflect upon and injure the reputation that Facebook has established for the goods and services it offers in connection with the FACEBOOK Marks.

18. Registration of Applicants' Mark will damage Facebook because Applicants' Mark is likely, when used on or in connection with the applied for services, to cause confusion, or to cause mistake or to deceive. Thus, Applicants' Mark is unregistrable under 15 U.S.C. §§1052, 1053, 1063 and 1125 and should be refused registration.

**SECOND GROUND FOR OPPOSITION:
DILUTION OF A FAMOUS MARK**

19. Facebook incorporates by reference Paragraphs 1 through 18 inclusive, as if fully set forth herein.

20. The FACEBOOK Marks are inherently distinctive in relation to online networking goods and services.

21. Facebook has used the FACEBOOK trademark since at least as early as 2004 for online networking goods and services, and has expanded use of the FACEBOOK Marks to many other goods and services.

22. Facebook is the owner of numerous U.S. registrations and applications for the FACEBOOK Marks.

23. Facebook has continuously used the FACEBOOK Marks throughout the United States and internationally.

24. As a result of the enormous publicity afforded the FACEBOOK Marks, and the strong and loyal base of customers that enjoys Facebook's goods and services, the FACEBOOK

Marks have a high degree of consumer recognition, are widely recognized by the general consuming public of the United States as a designation of Facebook's goods and services, and are famous.

25. The FACEBOOK Marks became famous before Applicants filed to register the FAITHBOOK TODAY Mark on February 10, 2013 or, on information and belief, any actual use by Applicants of Applicants' Mark.

26. Applicants' Mark is so similar to the registered FACEBOOK Marks as to be likely to cause an association between Applicants' Mark and the FACEBOOK Marks that impairs the distinctiveness of the FACEBOOK Marks and weakens the connection in the public's mind between the FACEBOOK Marks and Facebook's goods and services.

27. Applicants' Mark is likely to cause dilution by blurring based on a number of relevant considerations, including:

(a) Applicants' Mark is similar to the FACEBOOK Marks;

(b) The FACEBOOK Marks are inherently distinctive in relation to online networking goods and services;

(c) Facebook has made substantially exclusive use of the FACEBOOK Marks in connection with online networking goods and services;

(d) The FACEBOOK Marks are widely recognized by the general consuming public;

(e) Facebook is informed and believes, and based thereon alleges, that Applicants' Mark was selected with the intention to create an association with the FACEBOOK Marks.

28. Accordingly, Applicants' Mark is unregistrable under 15 U.S.C. §§ 1052, 1053,

1063, and 1125, and should be refused registration.

Wherefore, Facebook prays that this Opposition be sustained, and that Application Serial No. 85/845,621 be refused.

Respectfully submitted,

Date: February 12, 2014
