Opposition No. 91215064

Intellectual Reserve, Inc.

v.

Jonathan Eller

**Tyrone Craven, Lead Paralegal Specialist:**

Opposer's communication filed June 20, 2014 requesting that the opposition proceeding be suspended while the settlement between the parties is finalized is granted.

Accordingly, proceedings remain suspended, subject to the right of either party to request resumption at any time. *See* Trademark Rule 2.117(c), and 2.127(a); and TBMP § 605.02).

In view of the suspension, consideration of applicant's motion to dismiss (filed April 5, 2014) and opposer's motion (filed May 8, 2014) to amend its opposition and to extend time to respond to applicant's motion to dismiss is **deferred**.<sup>1</sup>

---

<sup>1</sup> Applicant's opposition (filed May 12, 2014) to opposer's motion to amend its opposition and to extend time and opposer's reply (filed May 27, 2014) to defendant's opposition to opposer's motion to amend are noted.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.<sup>2</sup>

---

<sup>2</sup> If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
