**JOINT STATUS REPORT
AND STIPULATED MOTION TO SUSPEND FURTHER**

Opposer, Dental Imaging Technologies Corporation, and Applicant, Hicat GbmH, by and through their attorneys, hereby respond to the Trademark Trial and Appeal Board’s (“Board”) Order dated April 20, 2016 and hereby jointly report that the parties are in the process of finalizing the terms of the settlement agreement and respectfully move for a further 30 day suspension of the above-identified proceeding.

During the time of the requested suspensions, the parties have negotiated the terms of a global settlement agreement and have since drafted and revised the language of the agreement. Due to the July vacation schedule, and absences from the office of clients and counsel, and as Applicant is located in Germany, the parties request an additional suspension period of thirty (30) days, and are of the view that this will be the last needed suspension. This additional request for suspension is simply to allow both parties to finalize and execute the final agreement and conclude the settlement. Accordingly, this request is made in good faith and not for the purpose of unduly delaying the proceedings.

The parties request that, based on good cause having been shown, the Board approve the following modified schedule, which is based on a thirty (30) day suspension of the current deadlines:

Plaintiffs' 15-day Rebuttal Period Ends	February 14, 2017	March 16, 2017

It is respectfully submitted that the scheduling of events be reset accordingly. The parties respectfully request that this Board maintain the suspension of the proceedings.

Respectfully submitted
