Jennifer Krisp, Interlocutory Attorney:

In the October 2, 2015 order, the Board, *inter alia*, entered judgment against Applicant as to International Class 7 based on Applicant's amendment to delete the class without the written consent of Opposer.

On October 19, 2015, Applicant filed a stipulation to set aside judgment, stating, *inter alia*, that the deletion of International Class 7 was with Opposer's consent, and that the parties stipulate to set side or vacate the judgment against Applicant as to International Class 7. In view thereof, the Board's October 2, 2015 order is vacated to the extent that the Board entered judgment therein as to International Class 7. That order otherwise remains as issued. Application Serial No. 85912789 remains abandoned as to International Class 7.

Proceedings remain suspended and a response is due as set forth in the Board's October 2, 2015 order. If no response to the order is filed, proceedings will be resumed and dates reset, as appropriate.
