Applicant consented to this motion via email on August 7, 2015.

The parties are engaged in settlement discussions therefore this request is made in good faith and not merely for delay. The parties have had ongoing and regular discussions and, as a result have more significantly narrowed the issues and are now finalizing certain nuances of the settlement language, which the parties reasonably anticipate will occur prior to the conclusion of the requested extension. For the sake of efficiency (time and costs), no discovery has taken place given the anticipated settlement.

For the reasons set forth herein, Opposer, with the consent of Applicant, respectfully requests that the Board grant this extension of time.
