_____)

The parties stipulate to a 30 day extension for Opposer to respond to Applicant's Rule 12(b) Motion to Dismiss. As ground for this stipulation, the parties represent that they are in talks to try to resolve this matter without the need for further litigation and that the additional 30 days will provide them with the necessary time to see if a resolution can be reached. The current due date is on or about May 25, 2014 and the parties request the response date be extended to June 24, 2014.

This stipulation is entered into in good faith and not for the purposes of delay.
