Opposition No. 91215789

Vita Zahnfabrik H. Rauter
GmbH & Co. KG

v.

Mohamad Mneimneh

By the Trademark Trial and Appeal Board:

On May 15, 2014, opposer filed the parties' stipulation comprising applicant's proposed amendment to its involved application Serial No. 86090587, and withdrawal of the opposition without prejudice, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to amend the identification of goods in International Class 35 by deleting the wording "material for stopping teeth, dental wax." The resulting identification will read:

Distributorship services in the field of pharmaceutical veterinary and sanitary preparations, dietetic substances adapted for medical use, food for babies, plasters, materials for dressings, disinfectants, preparations for destroying vermin, fungicides, herbicides; Distributorship services in the field of vitamins, dietary supplements, cosmetics, over-the-counter pain relief medications, pain relief preparations, and pharmaceutical preparations.

Opposition No. 91215789

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
