v.

The Brandon Merritt Charitable Foundation

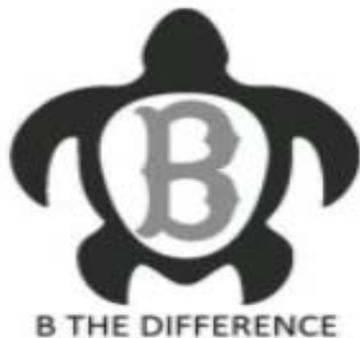

By the Trademark Trial and Appeal Board:

On March 12, 2015, Opposer filed a revised stipulation with Applicant's proposed amendment to the drawing of the mark in the subject application, Serial No. 85770458, and Opposer's withdrawal of opposition, without prejudice, contingent upon approval of the amendment by the Board.

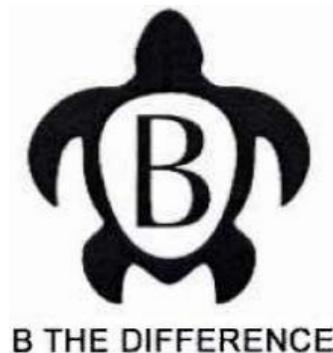

Motion to Amend Mark

By the proposed revised amendment, Applicant seeks to amend the mark as follows:

Current

Proposed

Applicant submitted a substitute drawing page with the proposed amendment.

Inasmuch as the amendment does not materially alter the mark, the description is consistent with the amended drawing, and Opposer stipulates thereto, the amendment to the mark, and substitute drawing page, are approved and entered. Trademark Rules 2.37, 2.52(b)(5), 2.72(b)(2), 2.133(a).

In view thereof, and the contingency in the parties' stipulation having been met, the opposition is dismissed without prejudice.
