Opposition No. 91216641

San Francisco Baseball Associates LLC

v.

D&G Sports Ventures LLC

By the Trademark Trial and Appeal Board:

On November 10, 2014, applicant filed a proposed amendment to application Serial No. 85967180, with opposer's consent, and opposer's withdrawal without prejudice of the opposition, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to amend the description of services as follows (amendment shown in bold type font):

From: "Providing facilities for playing paintball and airsoft games; Entertainment services in the nature of providing outdoor facilities for playing paintball and airsoft"

To: "Providing facilities for playing paintball and airsoft games; Entertainment services in the nature of providing outdoor facilities for playing paintball and airsoft; **all the foregoing relating to paintball and not relating to baseball or softball or to a baseball or softball team, baseball or softball leagues, baseball or softball mascot or baseball or softball stadium.**"

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed without prejudice.
