Kind LLC

v.

Herbert D. Flores

Nicole Thier, Paralegal Specialist:

Opposer's motions filed July 1, 2014 and July 14, 2014, to amend the dates of use in its pleaded registrations is noted. Opposer cites Trademark Rule 2.107 and Section 7 of the Trademark Act to support its motions.

However, Rule 2.107 discusses the amendment of pleadings and not the amendment of pleaded registrations. Although opposer has pleaded its registrations in this proceeding, the Board's jurisdiction is limited the subject application(s) or registration(s). *See UMG Recordings Inc. v. Mattel Inc.*, 100 USPQ2d 1868, 1873 (TTAB 2011) (a proceedings before the Board pertains only to the registration(s) or application(s) specified in the complaint). The Board may neither grant nor deny opposer's motion, as the Board has no authority over the matter.

Opposer's request will be forwarded to the Post Registration Branch of the USPTO for further consideration.
