Opposition No. 91217135

Eastman Kodak Company

v.

Miller, Clint

**Eric McWilliams, Supervisory Paralegal:**

Opposer's amended notice of opposition dated October 1, 2014 and applicant's answer dated October 30, 2014, both filed in response to the Board's September 24, 2014 order are noted. Opposer's amended notice of opposition is opposer's operative pleading in this opposition.

The Board notes that applicant's answer filed October 30, 2014 fails to indicate proof of service on opposer's counsel, as required by Trademark Rule 2.119.

In order to expedite this matter, a copy of the answer is forwarded herewith to opposer's counsel.<sup>1</sup>

---

<sup>1</sup> Strict compliance with Trademark Rule 2.119 is required in all future filings. When a party filed a document that is required to be served upon every other party to the proceeding, proof that required service has been made must be submitted before the Board will consider the filing.
