v.

Three Notch'd Brewing Company, LLC

George C. Pologeorgis,
Administrative Trademark Judge:

Proceedings are **suspended** pending disposition of (1) Applicant's motion (filed February 3, 2016) for summary judgment on Opposer's asserted claims of likelihood of confusion and dilution by blurring, and (2) Opposer's motion for partial summary judgment (also filed on February 3, 2016) on its asserted claim of likelihood of confusion. Any paper filed during the pendency of these motions which is not relevant thereto will be given no consideration. *See* Trademark Rule 2.127(d).

In addition to tolling the time to respond to outstanding discovery requests, suspension of proceedings tolls the time for parties to make required disclosures. *See* TBMP § 528.03 (2015).

The parties' respective motions for summary judgment will be decided in due course.
