To Whom it May Concern,

I just received a notice of default which, to be honest, surprised me as I responded with a representative from the USPTO assisting me well before August 31st. I created an answer on Microsoft word, converted it to PDF, and uploaded it. Since this was my first time doing it I didn't know I was to expect a confirmation email, of which I never received, clearly indicating that perhaps I didn't upload the file correctly. The file is nestled comfortably on my desktop at home and I am currently on vacation. I will be returning on the 26<sup>th</sup> and will send it again immediately. Thanks for the notice, I'd hate to lose this because I incorrectly uploaded something.

All the best,

Jeff Pearson
