v.

Smartfish Group, Incorporated

Karl Kochersperger, Paralegal Specialist:

Applicant's consented motion (filed December 9, 2015) for an extension of time to answer due to settlement negotiations is denied for failure to comply with the progress reporting requirement which the Board set forth in its October 22, 2015 order. Applicant has provided no detailed report of the progress made in the parties' settlement efforts since the last motion to extend.

Accordingly, answer due date, discovery and trial dates remain as previously set.
