Cayle, I still haven't heard back from you. Among other things, I was going to ask your consent to file another extension of the dates to allow us to re-connect and work toward a solution. As before, I assume you have no objection. Please contact me soon to discuss status.

Hi Cayle,

I've tried calling you a couple times, but there's no vmail on your preferred number. Please let me know what you're thinking on my request for a modest extension. Can I assume that you have no objection? If I don't hear from you by 12 noon PT, I will file a motion with the TTAB. Thanks.

Will

Cayle,

Apologies for the delays – just coordinating busy client schedules. To allow us to finalize these negotiations and an agreement, which I hope to be able to do shortly, would you be willing to extend the current TTAB deadlines by 30 days? If so, we can get that filed today. Thanks.

Will
